Two County Legislators Ready For Transit District Feud

By BOB RAPIDA

An all-out feud between Alameda and Contra Costa legislators on the assembly floor loomed this week as the Contra Costa County Board of Supervisors rejected compromise proposals on Alameda Contra Costa Transit District legislation.

The rejection of the two county compromise legislation and complete support for the so-called Waldie Bill, (AB 752), drew immediate fire from Transit District General Manager John Worthington.

He said:

"THE ONLY COURSE of action now left to the district is to follow out the indicated wishes of the people and press for the passage of the district's own bill providing for a special service zone, and to vigorously oppose the Waldie Bill as it now stands without the amendments that were proposed by the transit district."

(For a summary of the transit district's proposals see separate story).

Worthington stated that the rejection by the Contra Costa County Board of Supervisors of the transit district's proposals served two primary purposes:

"First, the provisions of the original bill introduced by Assemblyman Jerome Waldie to make it easier for Central Contra Costa County to withdraw from the district would have been kept intact.

"SECONDLY, the amendments, which in no way limited the withdrawal provisions of the Waldie bill, would have given the transit district board of directors the power to exclude Central Contra Costa County from the operational part of the district," he said.

"The district is in the midst of preparing for another bond election and cannot be expected to wait for Central Contra Costa County to act under original provisions of the Waldie bill before the district is able to determine its operational boundaries.

"We believe the compromise was most fair, giving to both sides, as it were, what they wanted and leaving neither side at the so-called mercy of the other. No better compromise could have been achieved," Worthington continued.

"RELUCTANTLY, we were prepared to support the withdrawal provisions of the Waldie bill despite severe setbacks this action could have had on the fast growing area of Central Contra Costa County. The most important job ahead is for the district to get into business; we therefore believed we could not flatly refuse to compromise and thus jeopardize the remainder of the district," the district manager pointed out.

"It must be remembered that 61 percent of the voters in Alameda County and about 43 percent of the voters in Central Contra Costa County favored the recent transit bonds. This is no small number of people to be ignored and disregarded to serve the notions of a few," asserted Worthington.

Jerome Waldie, 10th district assemblyman, (D-Antioch), was notified by wire Tuesday afternoon of the supervisor's actions by District Attorney John A. Nejedly.

WALDIE, IN A telephone interview with The Sun, indicated that he and S. C. Masterson, 11th district assemblyman, (D-Richmond), were ready to push through the proposed bill which had been introduced by the two legislators January 27 "Regardless of opposition."

Waldie insisted that his actions and those of Masterson's are dependent on the action of the Contra Costa County Board of Supervisors.

"We have had indications of tremendous support from the people of our districts that they are in favor of the legislation as it now stands and we will fight for it," Waldie promised.

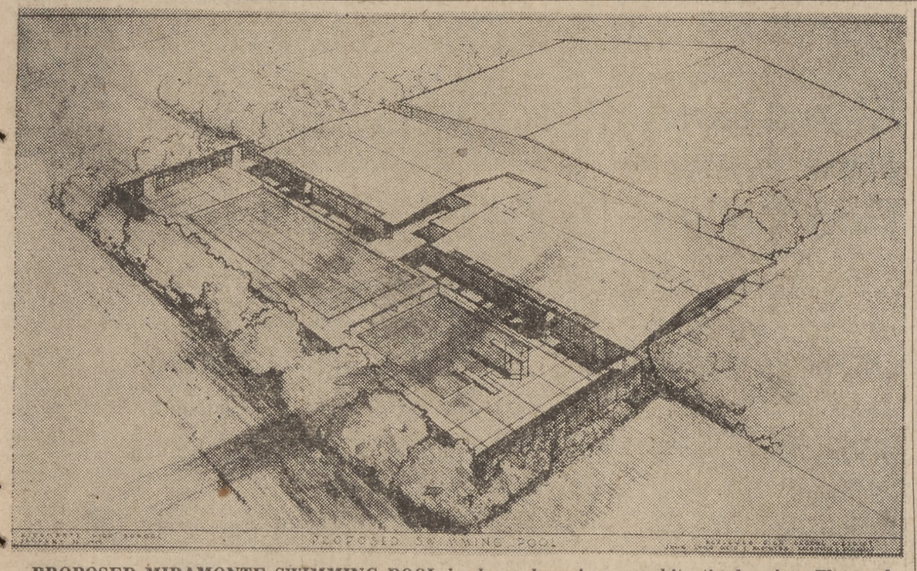

The proposed bill will be heard in the Public Utilities Committee of the Assembly Wednesday in Sacramento.

DIRECTORS OF THE Alameda-Contra Costa Transit District met in special session at the district's headquarters Wednesday afternoon to chart a course of action.

PROPOSED SWIMMING POOL

PROPOSED MIRAMONTE SWIMMING POOL is shown here in an architect's drawing. The pool will conform with American Athletic Union specifications. In the swimming area (left) the dimensions will be 42' by 75'. The diving area (right) will be 30' by 34' and 12' deep. All of the 17 high schools in the Diablo Valley Athletic League have pool facilities except Miramonte.

County Leaders 'United' On Transit Says Morrison

Civic organizations and official agencies throughout the county appear to be united behind legislation proposed by Assemblyman Jerry Waldie to permit exclusion from the Alameda-Contra Costa Transit District, according to Harry L. Morrison Jr., secretary of the Contra Costa County Transit Liaison Committee.

Morrison told the committee that under Waldie's proposed bill, the central part of the county could effectively win exclusion from the two-county district through joint action of the Board of Supervisors, acting for the unincorporated area, and the city councils of Concord and Walnut Creek.

ANOTHER AVENUE to exclusion, he said, would be through petitions signed by 10 per cent of the voters in the area, followed by hearings and a vote of the district's directors, who would be compelled to call an election within 120 days if they denied the petitions.

The liaison committee, headed by Chairman W. G. Buchanan of the Board of Supervisors, voted to extend its membership to include the mayors of 11 Contra Costa cities. Mayor John Bugni of Pittsburg is now a member.

Harry Moses, engineer for Parsons, Brinkerhoff and Hall, projected slides showing designs for proposed rolling stock and structures of the five county Rapid Transit District and said studies are being continued, looking forward to a bond election sometime in 1960.

He reviewed the history of the rapid transit movement in the Bay Area and said present studies indicate that the area's population will double by 1990 and will be increased by 50 per cent in the next 15 years.

THE FIRST STAGE of the rapid transit program. Moses said calls for construction of 123 miles of roadbed for electric trains at a cost of some $716,500,00 for equipment, structures and rights-of-way. Financing engineering and other preliminary costs would bring the total for the first stage to $850,000,000, according to estimates of Stanford Research Institute.

Moses said the second phase of the program would call for 360 miles of railway lines which would extend into the farthest reaches of Contra Costa County. Such a transit system, he said, would be tied in with future freeway and highway plans would help to relieve the growing congestion from vehicular traffic, but would not be entirely self supporting in view of the heavy initial outlay.

The required subsidy in the way of bond amortization, would, on a basis of present studies, cost every man, woman and child in the five-county area from $7 to $8 per year, he said.

ON THE OTHER HAND, Moses said, adequate rapid transit would permit orderly residential expansion of a vast area with an overall increase in property values which would offset the bond levies.

Public Works Director Victor Sauer, head of the plans and engineering subcommittee, announced plans for a luncheon meeting March 13 at Paul's Place to hear a report by Kenneth M. Hoover of the district's engineering staff. Hoover, he said, will discuss the transit program in relation to the Tudor Engineering Company's report on Contra Costa County highway needs.

Improvement Groups: Call Us Up Today

Calling all area improvement associations! And especially their publicity chairmen! We want to hear from you more often

The Sun is more than happy to print the notices which are sent in by the improvement and homeowners groups in the area, but it would also like to have "regular" items, which may not seem as important, but are nevertheless the heart and soul of subdivision and residential civic activity.

Why not have your publicity chairman send us a letter of notice, regularly, and have him or her this week call us up for a short talk? We can take news items, however small, by mail or by phone!

We are also interested in any schedules of activities for the month or the year, and agendas of future meetings.

This is the publicity chairmen's chance to do their jobs well, without much effort. We will be glad to do the work for you!

It's easy to write The Sun. Send your cards or letters to The Sun, at any of the following addresses: 1320 Locust Street, Walnut Creek, 1000 Oak Hill Road, Lafayette, or Box 123, Pleasant Hill.

It's easy to call The Sun by phone. Just dial YE 4-5000, AT 4-4444 or CL 4-4343.

Orinda Girl Returns From Semester in French School

A pert Orinda miss went to France this past summer under the American Field Service and returned recently with observations of that country as well as her own.

Linda Lancione, a student at Miramonte High spent six months as a student in France living with the Jacque Moreau family in Rouen. The industrial city is located in Normandy and is comparable in size with Oakland.

THE DAUGHTER of Mr. and Mrs. Weido Lancione, 212 El Toyonal, studied in the School of Joan of Arc, a girl's school, which is a facility of the French public educational system.

Linda noted of the meals which were usually large and varied and the habits of the French people, which are similar to many American ways.

She found the schools to be stricter and the language requirements more severe than in American schools. Of the elementary schools, she commented that they are far more advanced than their American counterparts.

LINDA REMARKED that the Little Rock situation has greatly impressed the French people and many of the French believe that all Americans are wealthy.

The family with whom she lived could be classified as "upper middle class" and owned a summer residence as well as a town house.

LINDA LANCIONE, left, chats with a school friend, Mary Ann Wohlers, of her recent trip to France. She studied under the American Field Service Program from August through January.

Miss Roegiers Wins Contest

Nadya Roegiers, Miramonte High School student, won the Orinda Lions Club speaker contest Wednesday night.

Others competing were Sally Spott and Sally De Witt.

Judges were Ernest Spiegle, attorney; Paul Stafford of Toastmasters and Donald Jessie of Pine Grove School. Ken Courtright was chairman of the contest which is in its 12th year at Orinda.

Here's Summary Of Two-County Transit Proviso

Special provisions of the Alameda Contra Costa Transit District were flatly rejected Tuesday by the Contra Costa County Board of Supervisors in Martinez.

Included in the provisions were proposed amendments to Assembly Bill 752 which was submitted by Assemblymen S. C. Masterson and Jerome Waldie.

THE PROVISIONS were prepared by Robert E. Nisbet, attorney secretary of the two county transit district and were intended according to transit district officials, to satisfy both Alameda and Contra Costa County desires.

After the rejection of the amendments, John R. Worthington, district general manager, stated the district would oppose the so-called Waldie bill "vigorously."

In brief, here is a summary of the provisions to the Waldie bill which were rejected by the Contra Costa County Board of Supervisors and which now will become Alameda County's bill in opposition to the Waldie bill.

The creation of a special district within the boundaries of the Alameda-Contra Costa Transit District may be initiated by:

(1) Resolutions passed by the legislative bodies of half or more, but not less than two of the public agencies (city or county) desiring the creation of a special district;

(2) A petition signed by 10 per cent of the total vote cast at the last general election within the boundaries of the proposed special district;

(3) A resolution adopted by the Board of Directors of the district, declaring the public interest and necessity for the creation of a special district.

WITHIN 60 DAYS after receipt of the resolution or petition, the board shall fix a time and place for a hearing on the proposed creation of a special district and shall publish notice.

At the hearing any interested person may be heard.

The board may reduce or enlarge the boundaries of the proposed special district.

Any public agency included or partly included within the boundaries of a special district may, by resolution adopted by a four-fifths vote of its legislative body, or by a petition signed by 10 per cent of the voters at the last general election, require an election to be held within the area to determine whether the area will be included within the boundaries of the special district.

The board shall call the election within 60 days after the petition or resolution is filed with the secretary of the district, unless a general election is to be held within 120 days, in which case the board may consolidate the election with the general election.

The costs of the election are to be shared by the public agency and the district.

A special district has no separate legal existence; however, the board may levy and collect taxes within its boundaries separate

Let's Get in The Swim!

AN EDITORIAL

The time has come for all good Orindans to do themselves a great favor by getting in the swim to help build a pool at Miramonte High School.

Here is a chance to contribute to the health and well-being of all Orindans by providing year-round swimming facilities which will be open to all residents.

For just a few cents a week we can have our own swimming facilities. There are many benefits which will help make our community a better place in which to live.

For example, the proposed pool will provide a teen-age meeting place and recreation area. This alone will pay off in better parent-children relations. You know your child is in "good company" when he or she is with your neighbors' sons and daughters at their own school facility.

Then, too, families will be able to swim together on weekends, evenings and during the summer.

More than 2,000 families in our area do not have summer swim facilities. Others do not have year 'round pool privileges.

It is important for everyone to learn to swim, as national safety officials have pointed out time and time again. Many a life has been saved because of early swim and water rescue knowledge. At Miramonte, the American National Red Cross swimming program will be in effect.

As parents, we want the best for our children if it is at all possible. The school district is willing to pay the lion's share of the expense for the construction but an additional $25,000 is needed.

This can come only from our pockets. Already more than $6,000 has been donated by generous, community-minded citizens.

Let us not fail our children and the generations to come which will also use these needed pool facilities.

This is the weekend of the big drive.

So when you are asked to donate to the pool fund, give generously. You'll find the water's fine in July when the facilities will be open if the drive is successful.

Get in the swim!

Rains Fell .86 This Past Week

A total of .86 rain fell on Orinda during the last seven-day period.

Rainfall and temperatures were:

	High	Low	Rain

Free Tickets For Your Name In Classifieds!

Free tickets to the El Rey Theater, Walnut Creek or the Park Theater, Lafayette, await the residents who discover that their names have been printed somewhere in The Sun classified ad columns.

Each week, several new names will be added to the classified lists, and they can be spotted by quickly running down the lists.

The lucky people listed will each get two free tickets to either the El Rey or the Park Theaters, and free tickets were never more easily won!

Most people like to "take a trip" through The Sun classifieds each week just on general principles, whether they want to buy, or not — so you are joining a big company!

Although The Sun carries the largest classified section among local central county papers, you need only check the "Shopping News," or any of the subscription papers.

The "class" customer has the advantage of having his ad duplicated in each of those papers, all for the same low price!

Enrollment Open For Bridge Classes

According to Mrs. Harry Peck, there is still time to enroll in the series of bridge lessons sponsored by Lombardy Branch, Children's Hospital of the East Bay.

The course will consist of nine more lessons and is open to the public.

Any Old Rags? Save Them for School Drive

The Orinda Union School Parents' Club board has announced a rag drive to be held the first part of next month. Students and parents are asked to save rags for the fund-raising event. Paper bags will be sent home with students.

Students Will Collect Donations This Weekend

"Operation Swimming Pool" begins tonight!

This starts a three-day campaign to build a swimming pool for everyone in the Orinda, Moraga and Canyon area.

The sum of $25,000 is needed to help the school district construct a $60,000 Olympic-style pool at Miramonte High School.

Hundreds of Miramonte students will canvass their neighborhoods during the weekend, asking for contributions from local residents.

GIFTS ARE tax deductible and may be paid over a 12-month period.

We need to average $25 per gift to reach our goal," said Jim Dana, chairman of the pool committee.

"SINCE SOME people cannot afford to give this much others will have to give more," said Spencer Archer, community public relations chairman.

"The important thing is to remember that for a cost of only fifty cents a week families are insuring the success of the campaign," he added.

"And, don't forget," said Al De Grassie, co-chairman in community public relations, "everyone can use the pool all year 'round."

A parent's committee of more than 80 men and women has been guiding the fund drive.

THE CAMPAIGN has been endorsed by the Miramonte Parents Club, Pine Grove Parents Club, Rotary, The Orinda Association, Chamber of Commerce, Lions Clubs, The Matador Boosters, Junior Chamber, Civic Affairs Committee, Orinda Oaks Association, Moraga Community Club, and Parents Club boards of Orinda, Glorietta, Sleepy Hollow and many other schools.

A dance will be held at Miramonte School at 8 p.m. Saturday night for "Operation Swimming Pool" workers who will be admitted free. Non-workers will pay $1. This is the first Saturday night affair ever held at the school.

ENTERTAINMENT will feature Don Pitts, a disc jockey.

Committee members made a last-minute appeal to the 4,000 families in Orinda, Moraga and Canyon to "give generously to meet a real community need."

They pointed out that 400 persons have already contributed more than $6,000.

Committeemen said they hoped to complete the fund-raising before the first of next week so the pool can be ready for use on or before July 4 of this year.

Cal Professor, Orinda Resident, Talks at School

Dr. Curt Stern, professor of genetics at the University of California, spoke to the Miramonte High School student body on "Adventures in Research," Wednesday, February 19. He is a resident of Orinda.

The basis of his lecture were personal experiences gained when investigating the factors of the "X" and "Y" chromosomes in humans. Dr. Stern gave interesting examples of believed heredity such as the "webbed toed" men and the amazing "porcupine skinned" men.

When interviewed after his talk, Dr. Stern said, "To be a scientist is a wonderful thing."

Dr. Stern is a popular professor at the university among the students as well as the other professors, and is well liked in his community. Perhaps that is because he lives by the theory, "The use of living is to have a rich life."

Dr. Stern was born in Hamburg, Germany. When he came to the United States in 1933, he became associate professor of zoology at the University of Rochester. Later he became professor and chairman of the Department of Zoology and Biological Sciences.

In 1947, Dr. Stern joined the University of California, Berkeley.

A CHECK FOR the Miramonte swimming pool campaign is presented by noted civic leader Ritchie C. Smith, Orinda, to Miramonte students Katy Baker (left) and Sylvia Bolman. Smith, a pioneer resident and public figure, gave the check as the drive for $25,000 got off for a "big push" starting tonight. Four hundred student volunteers will ring doorbells tonight, tomorrow and Sunday.

150 Students To Appear In Miramonte Music Show

"Mirama," a "super colossal" variety show, will be presented by more than 150 Miramonte High School students Friday, March 6, at 8 p.m. in the school gymnasium.

The event will feature the concert band of 40 musicians, a dance band, a mixed chorus of 60 voices and countless acts.

THERE WILL be a ballet, a dixieland band and a girls' vocal ensemble of 12 voices.

"Featured star" of "Mirama," is David Franceschini, the only faculty member to appear in the production. He will sing folk tunes and accompany himself on the guitar.

THE PUBLIC is invited to attend the show which will benefit the school's extra-curricular music activities. It is hoped enough money will be made to buy new music for the dance band. Tickets are $1 for adults and 50 cents for students.

Masters of ceremonies for the show will be Ron Brown and Bruce Stallworth. The entire production is under the direction of Gordon Mallory, school music teacher.

Jeannette Miller will do a modern dance. Bonnie Gardner, with Bob Davis, will entertain with a pantomime dance.

Richard Mann will do a pantomime and Carol Loewen will sing "Blue Moon."

"The Dying Swan," will be danced by Frances Kyle.

THE GIRLS ensemble will sing "Whistle a Happy Tune," and "Some Enchanted Evening," popular Rodgers and Hammerstein melodies.

An original jazz composition, as yet unnamed, written by Jeff Neighbor, will be featured by the dance band.

During the intermission, coffee and doughnuts will be sold.

Barbara Syverud, a twirler, will put on her specialty act.

"Summertime," George Gershwin's song from "Porgy and Bess," will be sung by Sylvia Riskin.

A FLUTE solo, "Swinging Shepherd Blues," will be performed by Leslie Compton.

A duet treatment of the popular, "Stardust" will be sung by Nelle Neighbor and Marian Oakley, backed by the jazz combo.

TICKETS MAY be obtained from any Miramonte music student or can be purchased at the door on the night of the performance—Friday, March 6.

Mosaics Class Set to Meet For Six Weeks

A class in Beginning Mosaics will be held starting next Wednesday, March 4, at the home of instructor Mrs. J. Gordon Ainsworth, 73 La Cuesta, sponsored by the Valley Art Center, nonprofit educational volunteer group to disseminate art throughout the Diablo Valley.

BRILLIANT European glass, tiles, beach pebbles and other materials will be used in the class, to meet weekly for six weeks from 10 a.m. until noon.

Various techniques in making both indoor and outdoor objets d'art, such as garden ornaments, tables, fountains and other decorative pieces will be shown.

The class will be limited in number and registrations must be made in advance on a first come, first served basis, by telephoning the instructor, Mrs. Ainsworth, at CL 4-2192.

Paintings by Orinda Artist On Exhibition

An exhibit of oils and water colors by Gloria L. Brown of Orinda is currently on display in the library at Saint Mary's College.

A member of San Francisco Women Artists, Mrs. Brown has exhibited widely in the bay area, including showings at San Francisco Museum of Art, Richmond Art Center, and Jack London Square Festival. Most recently, her work was featured in a one man show of water colors at the new Orinda library.

The Orinda artist attended College of Arts and Crafts, Oakland, and has worked with the noted Italian painter, Afro, at Mills College. She is currently studying with Clayton Pinkerton at the Richmond Art Center.

The Saint Mary's exhibit will end March 1, and is open to the public.

Saint Mary's Open House

The Gaels of Saint Mary's will play host to their parents and friends of the college, Sunday, March 8, at their second annual Open House.

SNOW JOB

King Winter's in his Wonderland. All's right & white w/the world!

AND MANY local folk are snowbound these days, the Big Attraction being the Look-See at Squaw Valley where the hustle & bustle & building boom is going at a backbreaking pace in a breathtaking place to ready for the 8th Annual Olympics.

SNOW JOB . . . for Orinda's Jack Geyer who is the Director of Public Relations for the '60 Olympics & commutes regularly between his Bonita Lane home, SV & the SF Olympics office at 333 Market.

The No. American Trials Meet has been underway this week & concludes this wknd. . . Up for the long holiday last wknd. was Marjorie Geyer who left the four children home & had a Wonderful Time despite the fact she saw Jack only once. He was literally "Snowed-under" w/people, press & details in general for the preliminary tryouts which collected topflight skiers from all over the world.

BABY, it's cold outside! But the air is invigorating, the scenery something off a picture post card & the crowds convivial & fun-loving. You've got your gloves to keep you warm not to mention that new knit sweater & those brand new Bogners you blew for!

Gerry & Lois Pixley were up & at it again, staying at the Split Lip Ski Club's chateau, the name dubbed by the Orinda men who own it on a co-op basis. It is conveniently close to the Magic Carpet, the aerial tramway at the Sugar Bowl & just about 20 min. from Squaw. The Pixleys bumped into Jim & Nancy Dupuis over the holidays & ore night hugged hot drinks & dinner at the Bear Pen together w/Bill & Noemi Leonard & THEIR houseguests, Clair & Hans Schnitler, also of Sleepy Hollow.

Hans, a Norwegian & practically born on skis in Oslo, found the KT-22 slope much to his Scandia-liking!

Alec In Wonderland?

IN ALEC'S WONDERLAND, the excitement of the loud speaker heard throughout the Valley, telling you clearly what event or WHO is coming up next. So whether you're watching or no, you're in The Know, part of the Ski & Scheme of things. The No. Amer. competition bringing about a kind of Global Togetherness & everywhere, the flow of foreign tongue meeting on the mutual ground of ski talk.

The Touch Internationale — The surprising sight of the Russian Ladies' Team, petite & pretty in their USA garb & bright tight red ski pants . . . The Japanese, tiny & trim, and the robust Swedes & Norskes ruddy-faced & blue-eyed, their nubby handknits the envy of all!

A REAL SNOW BALL for all, watching the experts silhouetted against the stark white slopes. Like watching a precision ballet in slow motion. The Gift of Gracefulness, of Man Over Element, like Greek Gods on Wings, making mere man into a Mercury.

A Reno racer piling downhill Smack-O into a tree to avoid a careless spectator standing Out of Bounds, THIS almost costing the skier his Life! Or Limb!

Children milling around, spilling around, some of the tykes more at home on skis than their elders.

SPACIOUS parking facilities & Easy Does It on the Shuttle going into Squaw. . . Here, the skeletal structure of the Ice Arena oddly-angled like an abstract in steel. The pastel colors of the new dorms pretty against the pine-studded slopes, the shape of things to come shaping up.

A SEA of sun-tanned faces, Healthy, maybe not so wealthy, but the Wise Ones blowing for ski lessons lest they break a limb the first day out.

On the mend, again, by the way, is Bobbie Reiser who wears her bone-breaks like a badge of honor & keeps going back for more! Last year it was her leg, this time her sacroiliac. Bobbie, who was once Calif. Pac. Coast Figure Skating Champ, will head for Sun Valley soon for a 10-day Time w/her husband Jack. And joining the junket will be Jack & Sue Beckett, Carol & Bill Platt, w/a stopover planned for Reno.

The Jay Meyers left yesterday for that same salubrious spot & by now are breaking out the Sea & Ski on the Sun Deck.

No Cure For Sure For Snow Fever!

A PERFECT ICE-Breaker are the Chair Lifts hoisting two at a time. Utter Strangers become Fast Chums during their 15-min. skyride & last Sun. at Squaw, one handsome holidaying Surgeon confessed he was scouting around for a wife. Another woman who refused to ride w/her husband finally gave up & got in w/a perfect pleading stranger. Another local lady literally Got Lost from her Better Half so she could practice her OWN way in her OWN pace without her spouse's constant not-so-helpful suggestions. Like hubby teaching you to drive, it just doesn't work!

THE DAY'S excitement not dimming at Dusk . . . Camaraderie in Technicolor flowing forth through the Lodge, around the huge fireplace . . . Sking & She-ing notes compared, Well! Some easterners & MOST Europeans DO pronounce it the latter way!

At Squaw, the gayety & good fellowship of the Beer Garden, Hot-Buttered Rums 'round Ralph Sutton's piano. All very moderne, very cosmopolitan, the ONLY Tyrolean touch, the Austrian music piped in by the platter-player.

MORE Ski afficionados are the Sodestroms, Sody & Jean who, hearty, healthy souls, waxed their hardwoods at Deer Park last wknd. & had as their guests Ted & Bonnie Webb of Lafayette. Ollie & Teddy Gardiner were at Alta, Utah for some fine skiing over Washington's B'day but Phyllis & Millard Simon, another sporty couple, just wished they had dodged Dodge Ridge.

The Gerald Cooks, who are new on Katrina Ct. in the Goldsmith house, joined the Community Church Family group to ski at Zephyr Cove. W/them were their son John & the Nels Hamberg's boy Kenny.

GO FOR SNOW . . . Some of the fellows along on the Miramonte Ski Club trip to Heavenly Valley were Robert Boyle, Donald McMacken, Bill Hilger & Jim Hackett & his father who both ski WELL, having lived before their move here, in Denver.

Earl Winkler, Don Anderson, Cec Cantrill & Bud Loughman are some of the Dads who'll go Greyhound to Camp Bray w/the boys of Pack 207 on Mar. 7 for an overnight in the White Stuff.

HEADED FOR warmer climes are the Ernest Fernstens who left mid-wk. for Mexico & some good hunting, THIS being their particular for-tay. Mayten Chrmn. Marian Everett & her husband Jack rested & relaxed recently at Fort Bragg's Heritage House.

Meanwhile, Back Home Here—

The wonderful house & family of Photog Wayne Miller are a five-page feature in the March House & Garden. Orinda's Ernest Hemingway, that man Prentiss Combs, has another fine story in this wk's SatEvePost — "Desert Bride".

THE CLARK CLAN had a Lark last wknd. christening frere Jack's new "Dublin Corral" (a western-styled spot featuring fine food, banquet rooms, dancing, etal) of which he is now co-owner.

The Family-style affair, w/some 48 guests, had 3 other reasons for a celebration. It was the 27th (!!) Annvy. of Frankie & Carl Schwedhelm (Patio Music Pair), their son Jim's B'day as well as THAT DAY, too, for Frankie's mother Mrs. Gilpin, more afftly. known as Teddy.

Helping the celebration along were localites like Chet & Helen Clark, Jack & Bettie Clark, the Dick McIntyres & Lavynne & Mike Day.

DO YOU KNOW where the Best People are shopping these days? You can tell by the cars climbing the hill to Santa Maria Parish Hall that the bargains are STILL to be had. Every day but Tuesday, 10-2,

Dr. Johnson Dies; Long Prominent In Community

Dr. Clifford M. Johnson prominent Lafayette dentist, died Thursday morning at Peralta Hospital, Oakland. He was 53.

Dr. Johnson was a resident of Orinda but practiced dentistry in Lafayette for 17 years. He lived at 460 Camino Sobrante.

Funeral arrangements are being handled by Frank Youell Mortuary, Oakland.

A rosary will be recited at the Youell Charell of the Oaks, 3007 Oakland Avenue, Oakland, tonight at 8 o'clock.

A requiem mass will be celebrated at Santa Maria Church, Orinda, Saturday morning.

Private graveside ceremonies will be held at St. Joseph Cemetery, San Pablo.

Dr. Johnson is survived by his wife Madge, his mother, Mrs. Catheryn Johnson of Oakland; two daughters, Mrs. John McCarty Jr., Orinda and Mrs. Donald L. Dullum, Orinda; two brothers, Dr. Ivan F. Johnson of Chico and Lawrence R. Johnson of Hillsborough; and three grandchildren.

Kids Learn How Fathers Earn Living

Sixth grade children in the Walnut Creek School learned about what their fathers and other fathers do to make a living, during a recent session.

The speakers included John Griffith, a banker, Stanley Williams, furniture salesman, and Dr. Dean Neighbor, psychoanalyst.

The boys and girls will hear several other dads, and about their methods of breadwinning in future meetings.

TEACHER Anne Ready explained her system as follows:

"When parents attend 'Back to School' night in the class I point out the reasons why I would like for them to volunteer as speakers.

"Usually it is impossible for the father to give me more than a weeks notice, so no schedule is made.

"Through the daughter or son the class obtains a little information about the father's work. Then questions are prepared and sent home to the father to give him an idea as to what the class would like for him to talk about.

"ACTUALLY the questions are just as much help to the father as they are to the children because it gives him something definite to start with.

"I might add that since he's talking about his job, before two minutes have passed, he's usually very enthusiastic and at ease before his sizable audience and critical child.

"I have never yet seen a child who wasn't extremely proud of HIS father for taking the time and effort to come to school to talk to HIS class, and I have yet to see the parent who failed to appear to enjoy it.

Services Held

Services were held at the Chapel in the Valley Saturday, February 21 for Kelly Ann Tucker, 3-month-old daughter of Mr. and Mrs. William Tucker of Concord.

Little Kelly Ann was the granddaughter of Mr. and Mrs. Frank Kennedy of Oakland, formerly of Lafayette and Mr. and Mrs. William Tucker of Oakland Avenue, Lafayette.

Here Are Provisions for Transit Legislation

and apart from the taxation of the remainder of the district.

At any time after the adoption by the board of the resolution creating a special district, the board may provide for and call a bond election to pay the costs of acquiring, constructing, etc., a transit operation.

This election may be held at the same time as an election to vote on the creation of a special district, if such has been requested by action of a public agency. The favorable vote of the majority of the voters voting on the bond proposition is required to authorize the issuance of the bonds.

THE BOARD of directors may determine by resolution that the annexation of any public agency within the boundaries of the overall district will facilitate the acquisition or operation of transit facilities for the special district.

A hearing shall be held and notices shall contain the terms and conditions for the annexation of the territory.

A special district may be dissolved by resolution of the board if a bond issue fails to carry and the special district has been organized for not less than two years.

The bill, in connection with the special district provision, limits the taxes to be levied against any area of the district not within the boundaries of a special district to one cent per $100 of assessed valuation.

The bill provides that directors shall be paid, in addition to $20 for each meeting, $20 for each day any member is engaged in authorized district business.

THE BILL LIBERALIZES the provisions for annexation to the district by providing that in addition to a city council on behalf of a city requesting annexation, request can be made by a petition signed by 10 per cent of the total vote cast at the last general election.

With respect to unincorporated areas, and in addition to reducing the percentage required on a petition for the annexation of unincorporated territory from 25 to 10 per cent of the total vote cast the board of supervisors of an unincorporated area may, as in the case of a city council, request the annexation of unincorporated territory.

A PROVISION is also added to permit the agreement containing the terms and conditions of the annexation to provide that annexation to the district, if approved by the voters, will also constitute annexation to any special transit service district that may exist.

The bill states that a city not a part of the district as originally established, nor annexed to it, having territory in the district may petition the board for exclusion of such territory from the district. After a public hearing, the board shall determine whether the best interests of the district would be served by exclusion of such territory.

The transit district's alternate procedure for exclusion of cities and unincorporated areas has been eliminated from the legislation which Alameda county statesmen will present.

The section proposed by the transit district amended the original Waldie bill as follows:

The bill provides that at any time after the defeat of the bond issue by the voters of the district and prior to the approval of a bond issue and subsequent election, any city or unincorporated territory, a majority of whose voters voted against the bond proposition, may be excluded by order of the board.

Exclusion is initiated by either a petition signed by 10 per cent of the total vote cast in the last district election, or a resolution adoped by a four-fifths vote of the city council or board of supervisors.

No city shall be divided and not less than one-half of the unincorporated territory shall be excluded.

NO AREAS of non-contiguous territory or territory entirely surrounded by the remainder of the district shall be created.

If exclusion is initiated by the board of supervisors or city council these bodies shall first hold a public hearing. The board of directors of the district shall then hold a hearing, after which the board will determine if all of the lands or any portion of them should be excluded.

If the board does not order all of the requested area excluded, the board shall order and conduct an election in the area not excluded.

If a majority of the voters vote for exclusion, such areas are excluded. The cost of the election shall be borne equally by the county or city and the district. No exclusion shall effect in any manner taxes previously levied or assessed against the lands excluded.

Although no mention was made as to who would author the Alameda County legislation on the assembly floor, observers noted it would most likely be signed by Dahl and several other assemblymen.

Informed sources claimed the bill would be "tagged" the Dahl Bill in difference to the Waldie Bill.

First Annual Art Festival To Feature Orinda Artists

Orinda artists are invited to enter their paintings in the First Annual Art Festival sponsored by the Santa Maria Women's Club, Orinda.

The show will be held at the Willows on Sunday, April 12 from 2 to 5 p.m.

PURPOSE of the show is to present a cross section of the work of Orinda artists.

Although Orinda has long been known as a community where interest in art is high, this will be the first local showing of Orinda artists.

Mrs. James Mitchell, 12 La Sombra Court, is art exhibit chairman. "There are many recognized painters in Orinda who have exhibited widely elsewhere. We feel an opportunity for their friends and neighbors to view their work is long overdue," she said.

"Those artists who have not previously exhibited are also encouraged to enter their work for a juried selection."

PAINTINGS should be ready for hanging and should be delivered to Mrs. Mitchell's home on or before April 1. Her telephone is CL 4-3763.

The exhibit will be held in conjunction with a Wine Tasting Festival entitled, "A Sunday Afternoon Soiree."

Mrs. Hoover Plans Tour of Europe

Mrs. Beatrice Borroughs Hoover of Lafayette, will leave March 25 on a trip to Europe. She expects to be abroad for three months.

Garden Club Speaker

A talk on planting and care of azaleas and rhododendrons was heard at Orinda Garden Club last Tuesday. Mrs. John Connelly was the guest speaker at the Orinda Country Club.

Orinda Association Favors Transit Withdrawal Plan

The Orinda Association has joined other civic groups in favoring proposed state legislation which would permit the county to withdraw from the Alameda-Contra Costa transit district.

THIS WAS revealed Monday at a regular association board meeting held at the home of Mrs. M. A. Hall, secretary, 17 Camino Encinas.

The association informed State Senator George Miller Jr., of the group's position and has received a telegram of acknowledgment from the legislator.

In other actions, the association set March 15 as kickoff date for a membership drive under the direction of Dave Young.

"WITH THE association's active participation in the Orinda master plan and other important issues facing our community, we feel this should be a most successful drive," Young said.

COUNTY officials are expected to attend a general meeting of the association to answer questions concerning Orinda's future.

The tax outlook and the master plan are to be discussed at a general membership meeting to be held April 13 at Orinda School.

County Population Stands At 432,869, Down Some

Contra Costa County's 1959 population was set today at 432,869 by the annual estimates of postmasters compiled by the Contra Costa County Development Association.

While the total was 6,072 less than the 1958 estimate and reflected declines in the population of Richmond, San Pablo, Oakley and Danville, the drop is believed to be the result of revision of previously inflated estimates by postmasters. The 1958 figure was 438,941 and the 1947 estimate was 432,108, the development association announced.

A RECENT ESTIMATE by the California Taxpayers Association gave the county a population of 402,200, and the County Planning Department's last report, released March 1, 1958, showed 377,506 Contra Costa residents.

The Planning Department, which bases its figures on a house count in cities and unincorporated areas, projected the county's 1970 population at somewhere between 508,000 and 659,000.

The new postal estimates give Richmond a 1959 population of 74,643, against 91,450 for the preceding year. The San Pablo figure was 16,736 for 1959 and 22,300 for 1958.

El Cerrito showed 26,500 for this year and 23,633 for 1958 while Berkeley Park and Kensington showed a gain from 8,080 to 10,120.

The figures for Giant, El Sobrante, East Richmond, North Richmond and Rollingwood showed 22,611 for this year, a gain of 511 from last year's figure. Hercules' population remained static at 343 while Pinole gained 450 to a new figure of 4,200 and Rodeo climbed from 5,300 to 6,800.

BECAUSE THE Pleasant Hill area is served by four postoffices —including its own branch of the Concord Postoffice — figures for the large unincorporated area were not segregated, but Concord Postmaster Joseph DeRosa reported an overall figure of 75,309 for the delivery area, a gain of 1,877.

The Pacheco gain was 350 to a new estimate of 2,650. Pleasant Hill is estimated at 30,000 and Concord was given a population of 30,582 for its corporate area in a special census last November.

Martinez 1959 postal estimate showed 14,700, a gain of 600 over the past year and Township Number One was given a population of 22,700, including 3,100 for Mt. View, 3,300 for Vine Hill and 1,600 for Alhambra Valley.

Walnut Creek's population was shown as 39,176 for 1959 and 37,232 for 1958. Lafayette was given an increase of 1,000 to 20,225 and Orinda an increase of 1,000 to 15,000. The Alamo postal figure for 1959 was 4,000, against 1,064 for the previous year.

DANVILLE'S 1959 figure was 7,635, against 8,872 for 1958 while San Ramon's population was set at 453, up only 18 from the previous year.

Township Number Six including Pittsburg and its environs, was given an overall total of 37,348 for 1959 and 36,972 for 1958.

Antioch's 1959 and 1958 figures were the same, 20,232, and included all of the unincorporated area of Township Number Eight. Brentwood was given a 1959 figure of 5,887, against 5,470 for last year.

EEk700f%0ht00

THE POPULATION for Township Number Seventeen, including Oakley, Bethel Island and Knightsen was given as 7.550, against 8,965 for the preceding year. Oakley showed a drop of 1,565 residents to 5,500, Bethel Island gained 150 to a new total of 1,250 and Knightsen's population was static at 800.

Port Chicago, Nichols and Clyde showed a decrease of 60 to a 1959 figure of 2,600 and the populations of Clayton and Byron were static at 383 and 1,200 respectively.

Crockett registered a gain of 490 to 4,890 for 1959 and Selby gained 100 to a new figure of 300. Port Costa's figure was static at 500.

An explanation for the disparity between the postal estimates and those of other agencies may be due to the fact that some postmasers report the total number of families served during a year, rather than the number of houses, according to Iona M. Booth, Development Association manager.

"In these cases, it would indicate a lower turnover from families moving out of certain areas, she said, and a more stable population trend," she said.

American Indians Will Prepare Native Dinner

With a special invitation extended to scout groups of Contra Costa County, American Indians of the Intertribal Friendship House will hold a Friendship Dinner of authentic Indian food Saturday, March 7, from 5 p.m. to 8 p.m., at 2964 Telegraph Avenue in Oakland.

Special singing and showing of paintings by native Alaskans will be sponsored by the Indian council with three Eskimos and an Aleut participating in the program.

PERFORMERS will include the Aleut, Philemon Tutiakoff, and Eskimos, Byron Angushuk, Francis Rivers, and William Walter, who have recently come to the Bay Area under the relocation program for American Indians.

Prepared by Indians of several tribes the dinner will represent a blend of cooking styles from reservations of the north and southwest of the United States, with a special entree sent from the Klamath tribe in Northern California.

INTERTRIBAL Friendship House has long been a favorite project of many service groups in Contra Costa County, in its effort to provide a central education and recreation center for American Indians brought into the area by the United States relocation program.

DeVarona Lass Still Winning

Donna deVarona, the 11-year-old Lafayette swim flash, paddled her way to three firsts last Sunday at the Fresno Invitational Meet to continue her winning ways.

Donna shared a first place tie with Debbie Lee in the 50-yard free style but was all alone out in front in the 50-yard butterfly and the 50-yard backstroke.

She returns to competition this afternoon in a meet to be held at the Athens Club, Oakland, starting at 5 p.m.

Litterbugs, Beware! Big Drive to Begin

The Contra Costa Highway Clean Up Committee met on February 19 to discuss future plans and programs for litter control in this county.

This committee, under the chairmanship of Supervisor W. G. Buchanan, will renew its efforts in the coming months.

Major purposes of this committee, say members, are to make the highways in Contra Costa County presentable, and to save money of the county taxpayers.

To carry out this program, the committee has been meeting to form plans for a spring campaign.

Dr. Floyd Marchus, County Superintendent of Schools, and Harry Ramsey, undersheriff, were welcomed to the committee by Buchanan. Dr. Marchus pledged the cooperation and support of the schools.

Undersheriff Ramsey said he would start an immediate campaign within his department for the enforcement of Ordinance 1279.

Ordinance 1279 pertains to the reward of $500 that is offered for information resulting in the conviction of persons violating the county anti-litter law.

Full cooperation in this matter was offered by Captain Russell Magill and Sergeant Alex Koven of the California Highway Patrol.

Further planning and study will take place at the next meeting to be held in the Board of Supervisors Room, Hall of Records, Martinez, at 2 p.m., March 19.

Heart Sunday Campaign is Big Success

The 1959 Heart Sunday campaign held February 15 was the most successful in the four-year history of the heart drive, William C. McIntosh, president of the Contra Costa County Heart Association declared this week.

The total amount collected to date in the one-day drive in Contra Costa County stands at $38,135.94 compared with $34,304.02 at the conclusion of the 1958 campaign.

The final figure to be reported later will include mail-in contributions and contents of kits not yet turned in by workers.

Increases in contributions over last year were made in a number of local areas. These include Alamo, Brentwood, Crockett, Pinole, Martinez, Lafayette, Moraga, Pleasant Hill, Port Chicago, and the Richmond area (El Cerrito, El Sobrante, Richmond, Rodeo and San Pablo).

Amounts reported by local area chairmen show: Orinda, $3,094; Lafayette, $3,440; Moraga, $426; Walnut Creek, $3,896; Danville-Diablo, $1,121; Alamo, $931; Pleasant Hill - Pacheco, $2,129; Concord, $3,922; Martinez, $1,855.

Power Squadron Charter Dinner Tonight at Pauls

Diablo Power Squadron's charter dinner will be tonight at Paul's Place in Martinez.

The charter will be presented to the group by Chief Commander Lester C. Lowe and District Commander Harold S. Davis.

Also, new officers will be elected for the 1959-60 term and pennants will be submitted to be voted on by the membership.

Embree F. Hockenbeamer, Lt. commander of the power squadron, announced that a class in seamanship will be started in March at Diablo Valley College. This class is open to members of any power squadron and women who have received certificates showing successful completion of the basic piloting course.

The second meeting of the piloting class sponsored by the power squadron at the college was held February 19. There are 37 students enrolled and there is still time and room for a few more students, Hockenbeamer stated.

Alamo Women Are Planning Rummage Sale

The Alamo Women's Club Spring Rummage Sale is scheduled for Wednesday, Thursday and next Friday from 9 a.m. to 4:30 p.m. at the clubhouse on the Danville Highway and South Street.

Mrs. Daniel Colson is chairman for this fund raising event. Proceeds will go to the scholarship fund and other philanthropic works. Mrs. Claud E. Burright is co-chairman.

Donations of items suitable for resale will be picked up by calling Mrs. Burright or Mrs. Alden Jones.

The regular monthly luncheon of the Alamo Women's Club was held Wednesday.

Transit District Feud Shapes Up In Sacramento

(Continued from page 1)

Robert K. Barber, president of the two county transit district, at the meeting said:

"Both the Alameda County amendments to the Waldie Bill and the Waldie Bill itself are attempting to obtain the same end: exclusion for Central Contra Costa County."

"ALTHOUGH the district is reluctant to exclude this area, the district was willing to compromise itself so that the best interests of the most people may be served."

Barber continued by noting that the district "can not be hamstrung by waiting for exclusion petitions from the Contra Costa County Board of Supervisors. The most important matter is to get the district into actual operation."

Meetings were held yesterday afternoon in Sacramento between transit district officials and Alameda County legislators. Observers stated that the Alameda county legislation would be introduced by Assemblyman Walter I. Dahl (R-Piedmont) and co-signed by the remainder of the Alameda delegation. Reportedly the bill will be called the "Dahl Bill".

WILLIAM J. BETTENCOURT, vice president of the district, slammed out at the Contra Costa proponents of the Waldie Bill and in particular to Harry Morrison Jr., secretary-treasurer of the Contra Costa Transit council which has been fighting the transit district since its creation at the polls in November 1956.

Said Bettencourt:

"We of the transit district have attempted to deal in good faith with Contra Costa County representatives. Morrison, long before the Waldie Bill was authored appeared to be in complete agreement with the special service district provisions. However, before the County Board of Supervisors in Martinez Tuesday he, in effect, denounced the same provisions with which he had agreed.

"This would seem to make us believe that he is giving us the run-around."

WORTHINGTON in reviewing the activities of the past week to his directors pointed out that there had been a verbal agreement among Alameda and Contra Costa representatives on the special district provisions.

Said Worthington:

"Waldie agreed to the compromise measures suggested by the transit district if they were approved by Contra Costa District Attorney Nejedly.

AFTER MEETING with Nejedly we were informed that he was in accord with the provisions excepting several minor points which we agreed to change.

Worthington commented that perhaps the transit district representatives had been meeting with the wrong Contra Costans since "Morrison seems to have the ear of the supervisors."

SUNday 'Class' Offers Coverage, Re-Run Rate

A new, expanded coverage for Sun classified ads now allows a customer to place his ad in the new, widely-read Sun Shopping News which appears on SUNDAY, in addition to the Wednesday Sun Shopping News and the four regular subscription papers which are published on Friday.

The new SUNDAY classified section is designed to give the Sun customer the ultimate in local coverage in the central county, when it is added to the Wednesday and Friday editions, already renowned for their results.

It also allows the customer to place his SUNDAY and subsequent ads as late as Thursday afternoon at 4:30.

OR, WHEN IT IS added to the previous Wednesday and Friday editions, it runs at a reduced "re-run" rate, which should make Sun advertizers happy!

The Sunday appearance costs only 80 cents when added to the regular Wednesday and Friday editions.

When it is the first to run, it is only $1.60 for the minimum of 14 words or less, and the following Wednesday and Friday editions go at reduced rates.

Jean Scott, Sun classified manager, said, "We have always believed, rightly, that the Sun Shopping News on Wednesday and regular Suns on Friday have provided the customer with the most for his money, but when we find an even better method, we will not hesitate to use it."

"WE BELIEVE that The Sun's Shopping News on Sunday is an important improvement, and will bring even more spectacular results than before, she added.

She emphasized that there is NO increase in classified rates in any of the many Sun editions — only an increase in service.

The Sun expanded coverage has lent new emphasis to the rule that reduced rates can be obtained for the second and third week only by asking, with the first phone call, for a "two-week run", or a "three-week run", a "four-week run," or more.

Greatly reduced rates are available by taking a "multiple run", and, of course, the customer has the right to "cancel" after any run, when his items have been sold.

A SIMPLE phone call will accomplish that in a minute.

For instance, you place a money-saving "two week run", and it will appear in 12 separate editions of The Sun for only $3.80. (Remember, you can cancel after Wednesday and Friday, or after the Sunday edition, whichever appeared first, and the charge will be only for that which appeared.)

The 12 editions are The Sun Shopping News, Wednesday, and the Walnut Creek Sun, Lafayette Sun, Pleasant Hill Sun, and Orinda Sun on Friday, and the NEW Sun Shopping News on Sunday—each twice, once for each week.

THERE IS HARDLY a person in the entire central county who ever reads a classified ad who will not see your ad, once or several times.

Sun Classified customers have always had busy phones after their ads were placed—the expanded coverage system means that you can place an ad with The Sun and feel a confidence in results you have never known before!

It is important for loyal Sun classified customers to remember that the "re-run" rate is possible now only when you place your ad originally for the "multiple" run, with the right to cancel and pay for that used.

THERE IS another advantage to the new classified section in The Sun Shopping News on SUNDAY.

If you decide you want to place a classified ad in The Sun in the middle of the week, after the regular "deadlines" for the Wednesday and Friday editions — YOU ARE STILL IN TIME for the Sunday classified section if you call by Thursday at 4:30 p.m

Similarly, the cancellation deadline is later than the others — you may cancel a Sunday appearance as late as Friday at 4:30 p.m.

And of course, the deadline for the Sun Shopping News on Wednesday and the four Sun subscription papers on Friday continues to be 10 a.m., on Tuesday.

There's Something Brand New Now Under The Sun

Something new, something never before offered in a weekly newspaper will be coming your way in the April 10 edition of The Sun.

With this issue, The Sun will proudly present "Suburbia Today."

SUBURBIA TODAY is a big, full color rotogravure magazine section which will be in The Sun the first full week of every month beginning April 10, according to Herman Silverman, editor and publisher of The Sun.

There will be a treasure of interesting reading and fine pictures in store for you in Suburbia Today.

But just what is Suburbia Today.

Well, probably you will never read a story in it datelined Moscow, eyebrows will not be raised at the Supreme Court, nor will the editors of Suburbia Today help with the reorganization of the Pentagon. These are just a few things which the magazine section is not.

SUBURBIA TODAY concerns itself with more immediate problems.

What makes a day rewarding, in spite of commuting and the price of eggs? How are the teenagers making out in vacation jobs? And how are the PTAs and Parents Clubs solving the teacher shortage? What are people looking at and laughing at? What are the new ideas for living—the little sparks of imagination which light up house and home?

In words and pictures, Suburbia Today tells about the things in which you are interested.

In short, Suburbia Today captures the zestful atmosphere of suburban life.

Suburbia Today will be unique in that virtually every article will have some bearing on life in the suburban scene.

School Teacher Number Increases

The number of high school teachers increased notably in Contra Costa County during the past year, in response to the recent upturn in high school enrollment.

Records in the office of County Superintendent Floyd Marchus disclosed today that the number of teachers employed under reg- from 1554 to 1691.

At the elementary level, where growth has been consistently high, the number of teachers in ular secondary credentials rose creased from 1894 to 1973.

The total number of professional personnel employed by the county's schools rose from 4728 to 5108.

These figures include teachers and administrators at all grade levels from kindergarten through junior college, both regularly and provisionally credentialed, and substitute as well as full-time teachers.

While the number of professionally credentialed teachers increased from 383 to 414, the training of such teachers was also upgraded.

Where 224 had bachelor's degrees last year, the number this year is 285. The total of provisionally credentialed teachers decreased at the elementary level and increased at the secondary.

The number new to or returning to teaching rose from 394 to 432.

'Continental Look' New Fashion For Men's Wear

The outstanding fact about men's clothing for Spring 1959 is that the American male has never had a more diversified selection of styles and ideas within which he can exercise his personal preferences.

Young or old, thin or built along more mature lines, he will be able to get in step with fashion for national "Dress Right Week," March 2-8.

The reason is, reports the American Institute of Men's and Boys' Wear, that the Ivy, the Ambassador and the more general styles have been joined by a new fashion idea—the Continental—which has already achieved widespread interest in many parts of the country.

According to the Institute, the introduction of the Continental does not mean the other styles have a new competitor. Instead it means a new dimension for men's wardrobes—a dimension that will help them dress right around the clock and throughout the year.

It is likely that the Continental will have a very important influence in the designing of other items of male apparel, as Ivy has.

The fact that more than 90 per cent of all suits sold are now in three-button single-breasted styles is another indication of the strong influence that Ivy styling has had on clothing in all categories, including that originating in California and conservative middle-of-the-road models.

How, then, is the Continental influence likely to exert itself?

As far as the authentic natural-shoulder Ivy models are concerned, it will have no effect at all. On other models, it will probably tend to shorten suit coats and sports coats, give them more of a suggestion of a waist, a feature that has been missing recently.

However, these style details will be used in varying degree and if they achieve wide acceptance, we can then look for further fashion expression along those lines for Fall.

Be sure and give your baby sitter the name of someone nearby to contact in case of emergency. Be sure and leave the telephone number of a police agency, fire department and doctor, too.

Here Are Questions, Answers About Swimming Pool

An all-out campaign to raise funds to help pay for the proposed $55,000-$60,000 Miramonte High School swimming pool will be launched on February 28.

AT THAT time high school students will help collect funds from Orinda, Moraga and Canyon residents for the community project.

Approximately half the cost is to be met by the Acalanes High School District; the balance must come from residents.

THE MIRAMONTE Pool Steering Committee has prepared a question and answer "Fact Sheet" concerning the need for and benefits to be derived from the proposed pool. James Dana is chairman and Mrs. Robert Bowles is co-chairman.

A condensed version of the "Fact Sheet" follows:

Question: Why a swimming pool for our community?

Answer: Our students and families of Orinda, Moraga and Canyon need a place to swim all year 'round. The beautiful Miramonte High School campus is an ideal spot to build this community facility.

Question: Who says we need a swimming pool?

Answer: Parents, teachers, students, civic organizations and businesses all say so. The Parent's Clubs of Miramonte, Pine Grove and the elementary schools plus civic groups have endorsed the project.

Question: How much is it going to cost?

Answer: Plans have been drafted for a pool costing $55,000 to $60,000. This will provide a competitive size pool, diving area and necessary equipment for recreation, health, safety and comfort. Lockers and shower rooms exist; boiler room facilities and piping were installed when the school was built.

Question: How much should I give for the campaign?

Answer: The goal can be reached if families will contribute only $5 per person, adult and child. Contributions will be returned in full if the pool is not constructed this year.

Question: Isn't that an awful lot?

Answer: Not necessarily, if you look at the cost as an investment in safety and enjoyment for your children as well as yourself. The cost of a package of cigarettes each day for the month of February will provide the $5 contribution for one child.

Question: Why should I contribute now? Why not let the School District pay for all the cost?

Answer: By contributing now you will get to swim in the pool by this summer. The School District's Board of Trustees has followed a policy of obtaining public support for pool construction. The Las Lomas High School, Walnut Creek, was financed partly with school building funds and partly by contributions from the people. If the Orinda community expects the district to pay the full cost without contributions, it will have to wait many years until other facilities are completed. We need this pool now—not 10 to 15 years from now.

Question: Will the pool really be ready this summer?

Answer: Yes, if the drive is successful a July 4 opening date is planned.

Question: Why not borrow funds from the state?

Answer: State funds are available for building purposes only to schools which are certified as "overcrowded." Miramonte is not overcrowded. Moreover, state funds cannot be used for swimming pool construction.

Question: Could the pool money be used to improve the bus situation?

Answer: No. The building fund money can only be spent on building facilities at Miramonte High School.

Question: Does that mean these funds cannot be used for new school building I've heard we need for elementary grades to eliminate double sessions?

Answer: Yes. The funds for elementary grades are raised for the Orinda School District which is not part of the Acalanes High School District. The building funds cannot be interchanged or transferred as they come from separate tax districts.

Question: Can I give cash?

Answer: Yes and you will be given a receipt.

YMCA Offers Recreation

Berkeley YMCA has announced that a new program is being developed for Orinda children.

It has come to the attention of officials of the YMCA that the Orinda school system is on half day session. This means, that for many youngsters there is a great deal of time in which youngsters may become bored. Starting February 25, a program made up of swimming, tumbling, trampoline, crafts and games will start.

It is believed by YMCA officials that many of the youngsters that enroll in this program will learn to swim before school is closed this summer.

THE LAST STRAW! cries Mrs. Charles Reid as neighbor and stray dogs and cats crowd about her overturned garbage can. Her problem is shared by thousands of central county residents, who daily find that animals have invaded their front and back yards, and made "mince-meat" thereof. Actually, Mrs. Reid was kind enough to offer her own pets for this public service picture. She didn't really belt them. —Sun photo by Rod Lomas

League Daze Of Gold Set

In festive frock and black-tie tux, localites will throng to the Claremont Hotel tonight for the second annual "Daze of Gold" benefit affair sponsored by the Oakland Junior League.

Among those planning to arrive early for the 8 p.m. fashion showing of Joseph Magnin clothes are Dr. and Mrs. Glen Heltne, Dr. and Mrs. Alan McDowell, Dr. and Mrs. Sheldon Cook and Dr. and Mrs. Robert Brigante.

Anticipating the fun of Paul Speegle's puns during the auction to follow the style-show are the Messrs. and Mesdames Leland Hamilton, Kerry Keresey, William Seifert, Jr., David Hardy, Douglas Knight, John Glover and William Beckett.

The Gordon Martins, Howard Hoyts, Wyman Taylors, Robert von der Lieths will be among those catching the first show of the follies "Viva La Theatre" and also headed for the stage-review at one of the two presentations to be staged during the evening are the Jack Novascones, Kenneth Mirovs, Warren Yagers, John Lackeys, John Van Dynes and Clifford Benjamins.

Dancing and buffet dinner in the Garden Room offer further divertissement for party-goers, the Bartlett Heards, Jack Favors, Patrick Cunninghams, Harold Fredericks and the Robert Harings.

Still more to strike it rich with the regal evening are the Messrs. and Mesdames Charles Beckett, Richard Grafis, George Hall, Jack Dana, William Channell, Norman Miller, Jefferson Larkin and the Richard Kilners.

Episcopal Women Meet Wednesday

There will be a general meeting of the Episcopal Churchwomen of St. Stephen's of Orinda following the Holy Communion Service on Wednesday, March 4, in Hill Memorial Hall.

Go To Church Sunday

Christian Science

The value for today's world of the works and words of Christ Jesus will be brought out at Christian Science services Sunday.

The Christian Science Churches in this area are located at 22 Orinda Highway, Orinda; 1347 Locust Street, Walnut Creek; and in Concord at the corner of Grant and Park Streets. Christian Science Society of Pleasant Hill holds its services at the Pleasant Hill Grange, 600 Gregory Lane, Pleasant Hill. The Christian Science Society of Lafayette meets at 3406 Mt. Diablo Boulevard, Lafayette.

The Lesson-Sermon is entitled "Christ Jesus." Scriptural selections will include Jesus' reply to the messengers of John the Baptist (Luke 7:22): ". . . Go your way, and tell John what things ve have seen and heard; how that the blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the gospel is preached."

Correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (131:26-30): "The mission of Jesus confirmed prophecy, and explained the so-called miracles of olden time as natural demonstrations of the divine power, demonstrations which were not understood. Jesus' work established his claim to the Messiahship.'

The Golden Text is from John (1:17): "The law was given by Moses, but grace and truth came by Jesus Christ."

Pat and Hugh are attending the University of California at Davis. A fall wedding is planned.

Sell-Out House Expected For 'Rainmaker' Tonight

Tonight at 8:30 will be a gala theatre night for area residents as the Dramateurs open "The Rainmaker," at Lafayette Town Hall.

Advance reservations have almost sold out the house, according to Mrs. James Stanislawski, Dramateur member. "We have a few seats left," she said. But, she added, reservations must be made through her at Hinks Book Department, Berkeley, telephone TH 5-1100 or at the Town Hall box office only on the nights of performances, AT 4-9965.

"THE RAINMAKER" will be shown on five week ends, tonight, tomorrow night, and March 6-7, 13-14, 20-21 and 27-28.

Carl Rasmussen is directing "The Rainmaker." Richard Robinson designed the set and John Wihara is responsible for lighting. Diane Davis and Judy Eckerman handle dressing the set and properties.

Louis Spruance and June Griffin are co-starred. Others in the cast are James Harris, Rolfe Williams, Ray Howard, John Read, and Philip Stearns.

ASSISTING Rasmussen in directional chores are Helen Blankenburg, Corrine Newman and Oreallia Salonen.

The Dramateurs have been busy putting the finishing touches on improvements in the Town Hall interior for the gala opening night.

Be sure and give your baby sitter the name of someone nearby to contact in case of emergency. Be sure and leave the telephone number of a police agency, fire department and doctor, too.

To Film or File—It's Not Really a Question...

The battle of microfilm versus filing cabinets goes on!

Sometimes it seems as if any effort to streamline such a bulky operation as a county government, and any effort to save the taxpayers' hard-earned money is a futile one.

Some months ago The Sun carried an editorial on the advantags of microfilming county records, and the tremendous savings available in both space and efficiency through the elimination of hundreds of standard filing cabinets.

Recently a county bond issue was put before the voters, the money from which would have been used to build additional buildings to house county offices, which are admittedly straining at the seams.

This bond issue was defeated.

SO THE CROWDED county government offices keep piling more records into more filing cabinets, in ever-diminishing spaces and then complain because they can't get more space.

It is obvious that it is a lot cheaper to install microfilm cabinets and storage devices than to pay for floor space for standard filing cabinets.

It is also cheaper than building tremendous buildings to house papers, which are bulky and simply occupy cubic footage.

The obvious answer is microfilming on a wide scale.

THIS PROCESS, which is relatively expensive to install, but highly efficient thereafter, is already used by many departments in the county government—including the county auditor's office where the equipment is presently installed.

However, it is not being used by the county clerk, who has one of the more serious storage problems.

Recently a request for additional filing cabinets by the county clerk was approved by County Administrator J. P. McBrien with the warning that it was the last request which would be approved by him.

He warned that any future requests for such equipment would be forwarded to the board of supervisors without his recommendation.

Now the county administrator cannot tell the county clerk, who is an elected official, what to do. Neither can the board of supervisors, although the board does control the budget, and therefore exerts some control.

McBrien is apparently trying to streamline the county government and put some real fund-saving practices into operation, but he is having a difficult time.

THIS FURTHER points the need for a strong executive head—and McBrien appears to be doing a good job—and appointive rather than elective officials in most county offices.

The Sun has stressed the need for this change in our government in previous editorials, and it is just such occurences as this battle over the cabinets that supports the need for these changes.

We who pay the taxes which support the county government have a right to expect our money's worth. Efficiency in county government is the only way we are going to pay the bills and increased costs of county government and services without an increase in the tax rate, which we all know is high enough already.

Microfilming of records is a relatively simple way of increasing the efficiency of the entire operation with a tremendous return in tax dollars saved.

IT APPEARS AS if some county officials should stand back and take a good look at the situation.

We wish Mr. McBrien good luck in his attempts at modernization and we would like to point out to county officials that the voters have a long memory—which is sharpened with each tax bill.

And each incident of this kind brings a true executive form of government just that much closer.

Fire? Police? What Is It?

What is your reaction if you are strolling down the street and a bunch of sirens go off?

We'll bet you do just what most people do. Look around to see if it is a fire, or a police car going by, or what-have-you. Then, if the siren keeps wailing, you start asking the confused people around you what is up.

Unfortunately, this is a normal reaction. Most people are confused by the multiplicity of siren signals which we have learned to associate with different kinds of emergencies.

RIGHT NOW WE are concerned with the civil defense warnings, and what happens when the sirens blow.

There are two kinds of signals that pertain to those of us who live in Central Contra Costa County. There is a three-to-five minute steady blast, and there is a wailing, warbling, rising-falling siren blast.

The steady three-to-five minute blast means to evacuate if you are in an evacuation area.

The wailing rising-falling tone means to take cover, right now, because there is no time for evasive action.

Now, what about this evacuation business. If you live west of Highway 21, that's Contra Costa Highway, then you should evacuate to the Eastern part of the county—that's the Brentwood area.

SO, NOW WE HAVE the sirens straightened out. But this is only the beginning. There are a lot of other things you can do, and it might mean your life or the life of your family, to know these things.

The federal government, the state, the county and your community can do only so much. The rest of the preparation and knowledge is up to you.

Every member of your family should learn these things:

1. The civil defense signals.

2. Your community's plan for emergency action.

3. To protect themselves from radioactive fallout.

4. First aid and home emergency preparedness.

5. The use of CONELRAD, the official defense radio arrangement under which official defense directions will be given on 640 and 1240 kilocycles.

In addition, you should keep your car's gas tank at least half full at all times, and you should have an emergency supply of food, clothing and first aid materials ready to go at all times.

WITH AN UNDERSTANDING of the problems, and the proper preparation and instruction of your family, your chances of survival in case of an emergency are far better than they would be if you just "take things as they come."

Maybe this is a good time to take stock of the situation as it exists at your house.

Just where do you stand?

The Staff Corner

Reportedly Informed...

By BOB RAPIDA

Not too long ago, a lady called and asked me who the president of the United Nations is. A simple enough question, but darned if I could answer it.

With that I decided to "become informed."

STARTED READING "Time" plus "US News and World Report." Scanned the dailies very closely and even decided to read Congressman John Baldwin's letters.

Went step further and read legal notices appearing in The Sun and even stopped the car to read legal notices posted on phone poles.

Now am to a point of reading the backs of cereal boxes and small print on T.V repair bills.

Here's good a time as any to pass along some of the startling tid bits I've been able to pick up since the beginning of my campaign to become abreast of the times.

● Assembly Bill 16 as introduced by Allen Miller provides that the holders of intangible personal property unclaimed for designated periods shall file a report of the same with the state treasurer who must publish notice thereof except as to minor amounts and provides for the transfer of custody of such property to the treasurer with provision for its recovery to the rightful owner.

● **GENERALLY, THE** duties of a sheriff include preserving the peace and the arrest of all persons who attempt to commit or who have committed a public offense (Section 26600 of the Government Cods).

● Phoebe T. Force (Applicant and Owner): wishes to have home occupation (Interior Decorating) (Existing building at rear of residence) located on a descriptive parcel, portion of Rancho Acalanes Fronting 143 feet on the east side of Happy Valley Road approximately 600 feet north of Glen Road, Lafayette Area (R-40) (32-9).

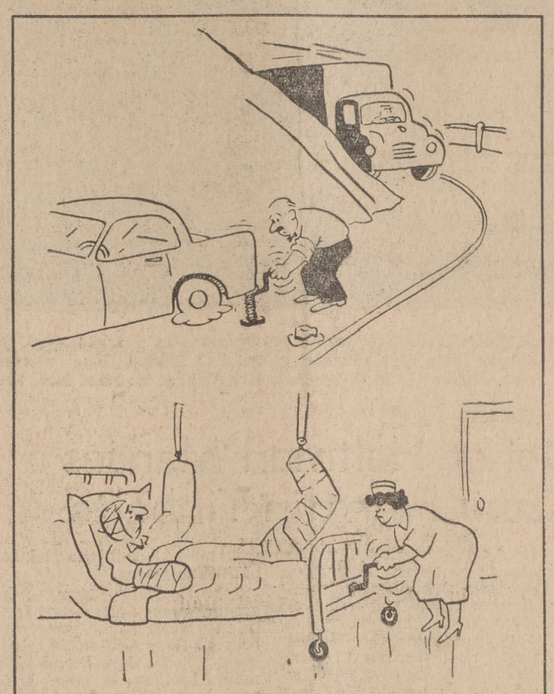

AND TO TOP off all the reading matter comes a statement from Hugh Smith, Fifth grade teacher at Fair Oaks School, concerning report cards and reported in the Fair Oaks PTA Newsette.

"The report card should not become more important then the person it tries to rate. At best, it can only indicate the production and activity of a child and his work and social relationships. It is an honest attempt to **evaluate a complex personality with all of its dynamic potential in a rather cut and dry static form.** To **present the innumerable facets of human capacity in a graphic form** is an **impossible job, but we are trying to do it."**

All of which leads to the old definition of an "informed source:" A reporter overhearing conversation in the local pub.

She's a Grand Old Flag--What Ever Happened?

By MARIE MONAHAN

LONG-GONE GOODBYE, some things have completely disappeared. Others are just waiting for Progress to put a period to their passing.

Find me a street where the kids play One o' Cat or One Foot Across the Gutter. Or a Corner lot, ANY vacant lot, good for Kick the Can.

Look while you're at it for that big hole in the back fence we used to climb through, Nobody Cared! And come to think of it, haven't seen a Cop on The Beat for a Coon's Age, have you?

WHATEVER happened to Cops 'n Robbers, Jacks & Immies, Marbles & Mumbledy-Peg, Hoops, Hopscotch, paper dolls & parchesi.

Where now is the Morris Chair, the Murphy Bed and do they build houses any more with the front porch, the back porch, the cellar, the attic & the pantry?

THE KIDS today have their fads & phases. We had our Mads & Crazes, too!

Whatever happened to Spin the Bottle, Handsies, Truth or Consequences & the old front parlor where the grownups played pinochle, poker, whist or mah jong while OUR problems were solved by the Ouija Board as we sat sipping cream soda & sarsaparilla?

Boys, back then, were Dreamboats, Sharpies or Finale-Hoppers. They wore autographed slickers, Zoot Suits with the Reat Pleats & their cord trousers stood stiff from grime & time pencilled signs & sayings like "Wanna Buy a Duck" & "Oh You Kid."

WE DID the Big Apple & The Lambeth Walk, jitterbugged to Glens, Gray & Miller, & listened to Wee Bonnie Baker's Billy, Betty's Boopadoop & Rudy Vallee's megaphone.

Tell me, do you **REALLY** think the Organ Grinder & his Monkey are gone forever.

Can you remember your first ride in a Model T? And its rumble seat, running boards, crank handle & klaxon horn? And secretly smoking your FIRST cigarette, maybe Meccas, Murads, Melachrinos or the Rage of Our Age, those red-tipped "Debs"?

Remember the Bangs & Batiks of the King Tut craze & how faithful we were to false eyelashes, fake fingernails & Leg Make-up?

Our Supermarkets **THEN** were Piggly-Wiggly, Mutual & MacMarr where Mama sent us with 2 dimes, one for bread, the other for milk.

WE SCREAMED at the Saturday serials at the Flickerhouse & Kate Smith's Moon came up over the Mountain for a community sing on the screen. There was Bank Nite, Dish Nite and giveaway-groceries galore at the old Country Store Nite.

We wore ghillies & garters, pinafores & plus-fours, beach-pajamas & bloomers & Zooks & Egads, Teddies too, as well as one-piece union suits.

SAY, WHATEVER happened to Sinatra Swooners, Crosby Crooners, Myrt & Marge & Jack Armstrong? We used to read over & over the Rover Boys, Dr. Doolittle, Tom Swift, and Borah Minevitch & Ukelele Ike never bored us.

COME TO THINK of it, Whatever DID happen to our patriotic spirit for flying the American flag from every house on legal holidays.

Letters to The Editor

DEAR EDITOR:

I would like to congratulate Col. William C. Braly on his fine letter of February 13 against fluoridation.

I would also like to quote from Dr. Lewis Alesen, past president of the California Medical Association.

He said, "My objection to fluoridation is on the moral issue. I have a perfect right to determine what shall be done with my body in life or after death, so long as it does not impinge on the rights of others."

I would also like to quote Dr. Granville Knight, M.D., allergist, past president of American Academy of Nutrition, and editor of the Journal of Applied Nutrition.

He said, "Has any one person, minority or group the right to tell you or me what medicine we have a right to give oursedves, and our children?"

MRS. JOHN JEFFREY.

CONGRATULATIONS

DEAR EDITOR:

My very heartiest congratulations upon the splendid — and deserved — recognition The Sun papers received from the California Newspaper Publishers Association.

PHILIP S. BRECK, JR.

Dear Editor,

On behalf of the members of The Immaculata Guild, may I express our sincere thanks and gratitude for your assistance in making our annual luncheon and fashion show, "Suddenly It's Spring" a huge success.

In spite of the cloudburst, "Torrents" of people turned out, over eight hundred to be exact.

From all indications, the affair was a "smash hit" and we owe a great deal to you and The Sun for your splendid cooperation in printing our articles and picture.

Do hope you are able to take an afternoon off to enjoy it with us next year.

Best wishes for happiness and continued success in the future.

Sincerely,

MRS. ROBERT C. MUNN.

AIR CONDITIONER

If your car is equipped with an air conditioner it should be operated at regular intervals during the winter months. This is necessary to lubricate the compressor seals and to prevent loss of freon gas coolant. Lubrication is also circulated through the bearings during operation, helping to insure trouble-free service next summer.

GRAY DOG'S "BUSS"

DEAR EDITOR:

The Service Committee of the Contra Costa County Commuters Association wishes to correct the impression given by your story about the unfortunate experience of Miss Mary E. Gallagher trying to get a seat on the morning buses to San Francisco.

The Greyhound service is checked frequently at Orinda.

The passenger trends are studied and service adjusted to take care of any consistent overloads.

Greyhound is extremely conscientious about this situation; we know how well they are doing the job, and are unhappy about the criticism of the service at that point.

NATURALLY IT is not quite perfect, but it is better than it has ever been in the 12 years I have been observing the situation at Orinda.

Greyhound certainly deserves credit for making an honest effort to take care of the situation, which they have definitely done.

Of course there are times when the buses are backed up and delayed between Walnut Creek and Orinda just as badly as the cars are.

AT SUCH TIMES the line of waiting passengers at Orinda lengthens, but as the buses finally come in they eventually take care of everybody.

At least everybody is in the same fix.

As a matter of fact, it just doesn't seem reasonable that on each Monday morning it should take a flat 30 minutes for the traffic jam to crawl from Lafayette to Orinda, but it does; whereas on the other four mornings of the week the time for that portion of the trip averages 9 to 12 minutes, allowing for numerous roadside stops.

THE LATEST CHECK at Orinda was made Thursday morning, January 8. Of the 18 San Francisco buses which stop at Orinda, only one had no seats on arrival there.

Altogether, while there were a number of impatient standees that morning, there was a total of 64 empty seats after the buses had loaded at Orinda!

The first bus at 6:32 a.m. had 6 seats which were filled at Orinda; the 6:42 a.m. had 8; the 6:57 a.m. had none; the 7:10 a.m. had 9; two buses at 7:15 a.m. come in with 2 seats and 23 seats; the 7:16 a.m. had 11, and two buses at 7:22 a.m. had 11 seats and 42 seats for only 34 passengers.

WHILE IT is difficult to believe that there are never any seats between 6:30 a.m. and 7:15 a.m., the Service Committee is willing to double check the problem with any passengers who may feel that they are having difficulties.

With Greyhound's friendly cooperation nowadays almost all problems are being worked out promptly. The Commuters Association welcomes all information about difficult commute problems; just write to P. O. Box 205, Lafayette.

NAME

DEAR EDITOR:

Since moving to Pleasant Hill I have been inquiring as to the name of the valley in which Pleasant Hill is located and no one seems to know or there are a multitude of various names.

In my estimation it should be called Pleasant Valley and if there is ever a movement for a name I think this name should be promoted.

Thanking you for the coverage of the happenings in "Pleasant Valley" by your newspaper.

RAYMOND A. WERNER

SMOG

Dear Editor:

Too often the good work that we do is just taken for granted and only the errors are remarked upon.

Your editorials are well written and well received as evidenced by your recent awards.

I would like to compliment you on your editorial of February 13 regarding Smog. Smog and Smink (smog plus stink) concern many of us very much. Not only from the aesthetic point of view but from the health aspect.

Since moving to this community in 1950, I have been a sufferer from hay fever due to grasses but aggravated by the increasing amount of smoke containing irritating fumes. Each year this contamination has increased. My nose and lungs tell me this whether the solids in the air are measurable or not.

From where I reside the source of this smoke, etc. is clearly visible. It is not automobile exhausts in Contra Costa County. Our problem here stems directly from Martinez and Avon. The prevailing winds blow these factory emanations south through our valley creating a thick haze each day by noon, when the winds blow in our direction.

We need industry, but we also need clean air. There must be a way to hav both. Let us hope that this way is found and utilized before a point of no return is reached.

Keep up your research and writing. You are performing a real service in the community.

Let's Chat About Candy, Teen-Agers and the DA

By HERMAN SILVERMAN

All over my desk are scattered notes, clippings, memos—so, let's see how many we can clean up today.

Do high school students, who own cars, get lower grades than those without? You've read some reports from San Francisco and other areas which showed a definite correlation between cars and lower grades. Sun editors are now checking with our schools on this subject.

How late do your teen-agers stay out? Have been having discussions on this subject with friends. Some are mighty strict; some are amazing lenient (or lax?). All agree that the teen-agers play one family against another. You know, "Mary's folks let her do . . ." Any comments on the subject?

Ma, pass the candy please

Still speaking of kids: How much candy should we permit our youngsters? We have cut down drastically in our family to an occasional treat. It used to be a twice a week. Certainly the dentists are adamant on the subject—little or no candy, they say.

And here is a clip from the Archbold (Ohio) Buckeye that merits thought:

"Much ado is made each year in our high schools by offering varsity letters to young men who have starred on various athletic teams.

"Now the process is being changed. Some schools have announced they will give away varsity letters for academic achievement.

"Why not? And many parents hope the idea will catch on in other high schools. Being able to mentally hurdle the academic achievements set forth as goals by the instructors should merit as much honor as being a member of 'the team.'

"Several eastern high schools plan to award a varsity letter for boys and girls who have a yearly average of '90 or better'."

At bottom of a column

A reader spotted one of those silly fillers at the bottom of a Sun news column and writes: "One of your subscribers who grew up in Venice thinks this is an outrage: (The Filler: Venice, located in Los Angeles County, is a beach resort with Coney Island type attractions.)

Sorry, we hurt your feelings—but the filler is true. However, Venice is lots of fun with its rides and shows and wonderful beach.

Full time deputies and pay

SERIOUS NOTE: We elected John Nejedly as our district attorney to clean up the office and to wipe out the extensive private law practices being conducted by the DA and his assistants. John is doing a very good job. He has left his private practice and is sponsoring a bill to prohibit private practice by Contra Costa's DA.

Further, he has asked the County Civil Service Commission (and ultimately the Supervisors) to increase the salaries for his three key aides. He asks that his chief assistant be raised from $11,850 to $14,500 and the two chief deputies to $12,000.

This should be done. The DA needs several top flight men to give us good law enforcement. Lawyers make money, so we must pay enough to attract capable men. You people have clearly indicated your position on full time positions; the county should take note. We must support Nejedly on this.

The Sun is proud that in April you subscribers will receive a wonderful new magazine section, Suburbia Today, along with The Sun. It will be published monthly at first; later every week. Only four weekly papers in California have been selected to carry Suburbia Today. I'm sure you will enjoy it.

And that is all.

Letters to The Editor

RESERVOIR

DEAR EDITOR:

Shall we Fish?

I'm with you. Those darned officials of the EBMUD are nothing but a selfish bunch of "Capitalists." The minute they sell all that beautiful land around the San Pablo Reservoir for homes, they no doubt will . . retire with all that ill-gotten "lott" to a life of luxury—all at the expense of us poor little "John Does." I can just visualize them sitting around lighting their big fat cigars with $100 bills. I am thoroughly convinced they won't use any of that "dough" to try to lower our water rates at all.

And to "add insult to injury," they won't even let us come down to "our own little reservoir and do a little bit of harmless fishing. That's a real "black eye" to us "sportsmen." After all, it may be only a stone's throw to the San Francisco Bay waters where you can catch Striped Bass, Salmon, Sturgeon, Catfish, Shad, Perch, Sharks, Skates, Carp, etc., etc., but these water just don't have any Trout or Black Bass in them. And I can think of no more convenient pond for the Department of Fish and Game to dump Trout and Black Bass in than right here in our own backyard — in our drinking water. That would really give us East Bay "Sportsmen" a well-rounded fishing program. After all why should we have to spend so much money traveling all the way up into the mountains to fish? And really, the scenery gets boring after awhile —nothing but miles of mountains, trees, streams, lakes, etc. Just imagine how convenient to have all this right here! Now just how selfish can those EBMUD officials be? Can't they recognize the "needs" of us "taxpayers?" Furthermore (and I am surprised that you astute editors have previously missed this aspect), we should force those officials to turn loose herds of deer around the reservoir so that we could liquidate our "jeeps" and do our hunting conveniently lying down on a comfortable "chaise lounge." Don't worry, we "sportsmen" are all "deadeyes," and can easily recognize a deer from a human being.

And why are they so darned concerned about a little bit of pollution (known as "garbage" and "sewerage" in more common circles)! After all, any chemist can tell you (they already informed me) that by the simple process of adding chloine to the water, it becomes as pure as the mountain streams that it now comes from. Chlorine taste???? Think nothing of it, you will get used to it in a short while and you will never know the difference. After all, a few sacrifices and inconveniences have to be made for us true "sportsmen!"

In closing, may I offer this suggestion to all my fellow "sportsmen"—let's all band together in one big army and march in on those selfish "capitalists" and "demand our rights" (the entire San Pablo Watershed and reservoir), just as that great "Statesman," Walter Ruether, is planning with his "army" of unemployed on Washington! We just can't miss, men—success is inevitable! I can just see them crumbling from the "pressure."

Your "Sportsman,"

ANTHONY G. LAGISS.

CONGRATULATIONS

DEAR EDITOR:

Congratulations to you and the staff for the "grand sweep" of awards you have received from the California Newspapers Publishers Association. The high recognition you received is richly deserved.

From a personal standpoint, I would like to also thank you for your fine service. We greatly appreciate your assistance in the District's program for recruiting competent people. Thank you for printing the announcements of our civil service examinations.

FLAMINGO members of the Mt. Diablo Therapy Center are planning for their sixth annual floral arrangement tea and fashion show, to be held Tuesday at 1:30 p.m. at the Diablo Country Club. Left to right are Mesdames Frank Fink, Donald Johnson and William J. Ebke. —Sun photo by Rolf deTrentini

On The Lighter Side

by INA BLIESNER • YE 4-3818

The "Larks" of the Mt. Diablo Therapy Center can chalk up another successful Mardi Gras! Decorations were out of this world with the spirit of old New Orleans everywhere.

Ornate wrought-iron street lamps were spaced around the huge ballroom. The walls were festooned with fragrant serpents, golden garlands, masques, and New Orleans posters.

Of course, the scene couldn't have been complete without thousands of bright balloons. Diablo Country Club never looked like this before—laughing gals with fantastic hats showed to the world their "suppressed desire" — some, too large to be worn through the tremendous crowds, were born aloft by ever-lovin' husbands.

Bell is Prelude to Gourmet's Delight!

When a soft dinner bell sounded through the lounge, guests made their way to the gaily decorated tables where a dinner, featuring roast beef and winding up with a choice of french pastries, was served—a gourmet's delight! Everyone danced — Mrs. Bill Harris (chairman) looked stunning in a chic printed sheath and Mrs. Edward Ageno (president) wore a gorgeous orchid creation featuring an embroidered bodice.

Mrs. Donald Campbell, very tan from her Carribbean cruise, a dream in shimmering chiffon with blue, tucked bodice and swirling white skirt upon which were splashed huge, blue flowers. Up from Watsonville—the Howard W. Ditledsens, houseguests of the Forrest Knights, all joining the Newt Warburton table.

Dancing with her father — William R. Shepherd — was lovely Mrs. Larry Hudson. The Hudsons were at the Joe Adams table and the Shepherds were guests of the Bob Underhill's. Marge and Pat Barnum made this a more than special evening by celebrating Pat's birthday — even Henry Gallagher's orchestra joined in. At eleven — the winners were announced. For the most beautiful — Mrs. Ted Nasser, who was a guest of Dr. and Mrs. Ken Caldwell, won top honors—her suppressed desire being a "Social Butterfly".

Mrs. Douglas Barry, of Alameda, won the prize for the most unusual with "Foot Loose and Fancy Free" and the most humorous award went to Mrs. John McBride who depicted the "Ideal Weight Loser". The latter two were guests of the Paul Kapcis and William Banks, respectively.

Lou and Gerard Oulten were there—Lou adorable in black—the tight bodice of jersey and the tremendous skirt of taffeta. She wore a tiny crown—but supplemented it with an original creation during the grand march.

Skiing earlier in the month at Dodge Ridge were the Wayne Barretts and Paul Klinkhammers who stayed with friends at Long Barn. Lots of fun 'though short on snow!

Menu Experimentation Coming Up!

One of the nicest things about a luncheon is for the planning committee to experiment with various menus. Betty Eklund (Mrs. Nils), general chairman for the "Lombardy" branch annual affair, has been doing just this for the past two weeks. Among her fellow conspirators are Jane Peck, June Merriam, Dorothy Lundblad (branch chairman), and Caroline Read. After testing many samples THE menu was announced at the monthly meeting at Mary Lu Paul's home and it's mouth-watering but is top secret, of course.

On March 11 all of the hostesses will gather at Betty's for a "trial run" then a period of instruction will follow on how to make each delicacy — a little difficult on the waist line — but WORTH it! Many of the loveliest homes in the area will be the setting for his occasion to be held on April 9. Hostesses will be the Mmes. George Merriam, Joseph Downs, Robert Pridemore, Arthur Lundblad, Lynn Husar, Arthur Comerford, Robert Field, Miles Sutliffe, William Scatena, Mark Smith, Edward Law and Richard Kendall.

Tickets are at a premium—but may be obtained by calling Mrs. Merlon Howard at CL 4-2547—IF you hurry! Additional committee members are Mrs. Hugh MacIntyre, decorations, and Mrs. Thomas Connolly, prizes.

It's interesting to note that the new Rheem School in Moraga is the object of much attention these days. Two contributing groups are the Moraga Community Club, which gave $162.30 for playground equipment, and the Mother's Club of Moraga with $150 for the library.

Marie Rosenblatt, who expects a wee one in March, was surprised with a shower given by Carol Carey of Moraga. Twenty five friends were in attendance.

From Board Meeting to Dinner-Dance

Marge and Ernie Starkman of Orinda are back from Riverside where Ernie attended a board meeting of the U. C. Board of Admissions and Relations to schools on the Riverside campus. They also visited in Los Angeles where they were guests at a dinner-dance at the Statler given by the Society of Automotive Engineers.

Gay Snow is Bride of E. M. Miller

The marriage of Gay Atrice Snow of Walnut Creek and Edward M. Miller of Martinez was performed at the Park Chapel, Reno, January 18, and the newlyweds were honored at a luncheon afterwards, attended by relatives and friends.

The bride is the daughter of Mr. and Mrs. Thomas Benton Snow of 85 Willowbrook Lane, Walnut Creek.

For her wedding she wore a gown with sheath of white chantilly lace with a bouffant overskirt of silk organza.

HER SHORT illusion veil was attached to a headpiece of white satin and seed pearls. She carried a small satin Bible with a white orchid and stephanotis.

She was attended by her twin sister, Mrs. William A. Johnson of Pleasant Hill.

Mr. Miller is the son of Mr. and Mrs. Harry F. Miller of Martinez. Best man was Harry F. Miller, Edward's brother.

Bishop Ira M. Holloman performed the rites.

GAY IS AN Acalanes High School graduate. She attended Diablo Valley College for a year before graduation from the Don Lux Academy of Beauty Culture.

Mr. Miller graduated from Alhambra High School, and attended Diablo Valley College before he entered the U.S. Marines.

The couple will live in Lafayette.

On February 8, the anniversary of both the bride and bridegroom's parents, a reception was held for 300 guests at the Brazilian Room in Tilden Park, Berkeley.

THE BRIDAL PAIR and parents greeted guests in the foyer against a background of potted ferns and white candelabra with baskets of white stock, mums and carnations.

Various flower arrangements were used in the reception room of pale pink and white stock, snapdragons and carnations.

The bride's table was centered with a five tier cake and silver punch bowl surrounded with gardenias and fern, while the buffet table was decked with silver candelabra and flowered garlands.

Out of town relatives of the bride included her maternal grandparents, Mr. and Mrs. A. L. Johnson of Sonora. Her sisters, Miss Beora Snow, senior student attending Brigham Young University at Provo, Utah, and Miss Karel Snow of Sonora.

HER AUNT AND uncle, Mr. and Mrs. Baxter Snow of Mt. Airy, North Carolina, and Miss Sally Ann Pence of Spokane, Washington. Also present was the benedict's grandmother, Mrs. Rose Peters of Pittsburg.

Miss Karen Miller, sister of the bridegroom, had charge of the guest book.

The bride was recently entertained at two affairs honoring her. One given by Mrs. A. J. (Buck) Johnson and daughter, Mrs. Raymond Williams of Seven Hills Ranch Road, Walnut Creek, and one given by Mrs. Gladys Sweet of Lafayette.

Spring Tea Plans Made By Guild

The Anita Art Guild of the College of the Holy Names will hold a special meeting tonight at 8 o'clock at the home of Mrs. William Freitas in Lafayette.

The president, Mrs. Patrick Leonard, has called this meeting to have the members, together with the chairmen, Miss Joan Van De Carr and Miss Grace Collins, make the final plans for the Guild's annual spring tea.

The theme of the tea is "Chinarama" and will be held on April 25 at the home of Mrs. Harold Butterick on Longridge Road. The China art objects, decorated by the members, to be used as door prizes will be chosen at this meeting.

Go to Church

Janet Heltman Marries Gary Franklin Tibbetts

In a lovely setting of white bouquets of mums, carnations and stock, Janet Louise Heltman was recently married to Gary Franklin Tibbetts.

The scene was the Walnut Creek Presbyterian Church, with the Rev. James C. Upshaw officiating in the double-ring ceremony.

Janet is the daughter of Mr. and Mrs. Lloyd E. Heltman of Walnut Creek. Gary is the son of Mrs. Dorothy Schupp and Mr. Ben Tibbetts.

The bride, who was given in marriage by her father, wore a beautiful gown with a chantilly lace bodice, long sleeves, and a tulle skirt over antique satin with a chapel train of lace.

Her lace cap had a fingertip veil of silk illusion. She carried a bouquet of stephonitis, split carnations and white orchids.

Joan Sebastian was maid of honor. She wore a party blue dress with lace bodice, ballerina length taffeta skirt with bow in back. She wore a small veil trimmed with pearls and carried a charming bouquet of pink roses.

Mrs. Karen Bergesen, Mrs. Susan Heltman and Beverly Fleming served as bridesmaids. Their gowns were identical to the maid of honor except in color—they were powder blue. They carried pale pink carnations with dark pink garnet roses.

The bride's mother was dressed in a cornflower-blue sheath and jacket with pale blue hat and gloves. The groom's mother wore a coral princess style suit with pink hat and white gloves.

Deborah Schupp, sister of the groom, was flower girl and Allan Major Jr., was ring bearer. Gary Gibson was best man. Ushers were David Heltman, brother of the bride and Jerry Gibson and Ward Schuyler.

A reception immediately following the ceremony was attended by 400 friends and relatives of the happy couple. The church hall was decorated with ivy and white bells.

For her going-away attire, the new Mrs. Tibbetts chose a beige suit with brown accessories and white gloves. She wore a corsage of white orchids.

'Women in Blue' Volunteer Many Hours of Work

A familiar sight in Children's Hospital of the East Bay almost any day of the week is the volunteer in blue uniform who lends a helping hand in many of the departments.

Today it was revealed by Mrs. Harvey B. Lyon, who is chairman of the Volunteer Program, that these volunteers contributed 1,033 full eight-hour days to the hospital during the year of 1958.

Among those serving more than 100 hours in 1958 were Mrs. F. A. Richards, Walnut Creek, who spent 321 hours sewing; and Mrs. D. Charles Williams, Lafayette, who worked 150 hours on eye clinic work.

Garden Club Is Planning Blossom Tea

The Walnut Creek Garden Club annual blossom tea will be held on March 11 at the Alamo Women's Club.

This is the groups main social event of the year. The program will feature Mrs. Robert Tuckey, of Kentfield in "Fun with Arrangements and Corsages".

Tickets may be obtained from any Garden Club member or the ticket chairman, Mrs. Tonder Strand.

Tickets may also be bought at the door. Mrs. Delbert Anderson is president and Mrs. John Schroll vice president of the Walnut Creek Garden Club.

Literature To Be Discussed

yetts Women's Club will be held March 3 at 1:30 p.m. at Veterans Memorial Hall in Lafayette. Mrs. Ted J. Clark, president, will preside.

Vice president and program chairman Mrs. Walter C. Meyer will introduce Mrs. Edmond F. Bryant, literature chairman for the State Federation of Women's Clubs, who will speak on the theme "Read and Grow." In her work she stresses the importance of creative thinking to us as a nation, and the need to battle against all forms of bad literature in this state.

Refreshments will be served following the meeting, under the direction of Mrs. E. E. Duncan, tea chairman. Those assisting her are Mrs. V. J. Kronenberg, Mrs. Carl W. Ball, Mrs. T. L. Ball, Mrs. Leslie O. Seaborn and Mrs. Warren Sollenberger.

Mrs. James B. Harbuck will have charge of the silent auction to be held during the tea hour.

The club's annual rummage sale is set for March 18 and 19, in charge of Mrs. Harbuck.

Dinner-Dance Will Help Philanthropic Projects

Plans are well under way and it looks like "Vintage 1959" will be another financial and social success for both the Lafayette Suburban Woman's Club and the Lafayette Suburban Junior Woman's Club.

Combining their efforts for one big benefit party the Lafayette Suburban Junior and Senior Woman's Clubs will entertain Saturday, March 14, at the Concord Elk's Hall.

The affair will be a wine tasting party with dinner and dancing to follow. The wine tasting is scheduled for 5:30 p.m.

The decorating committee is working on appropriate decorations in the "Vintage" theme. Members from the Junior Club will handle decorations.

Working with Mrs. Robert Osborn, chairman, are Mrs. Clifford Gambs, Mrs. Edward Andersen, and Mrs. Elwood Helrick. Mrs. William Banks, ways and means chairman, and Mrs. Charles J. Dondero, co-chairman, are in charge of arrangements for the Senior group.

Mrs. George Sanko, president of the Juniors, will make the arrangements for her group.

According to Mrs. George M. Burt, ticket chairman, there are a limited number of tickets available so reservations must be made in advance.

Proceeds from the affair will benefit cystic fibrosis, the philanthropic project of both clubs.

Sr. Women Honor Jr.'s At 'Melody'

"Spring Melody" was the theme Tuesday at the Women's Club of Walnut Creek. Senior members honored the Junior Women's Club of Walnut Creek.

Mrs. Arthur Larsen presided. Her guest was Mrs. William McClaraty, junior president.

In turn, each Senior board member honored the corresponding officer of the Juniors.

Mrs. Sherman Camp's guest was Mrs. James McClintock; Mrs. Frank Scothern honored Mrs. Roger Black; Mrs. George Fox honored Mrs. Lloyd West; Mrs. Ray Rosal honored Mrs. Grovenor Fox; Mrs. Carol Young honored Mrs. John Rousset; Mrs. C. E. Tate honored Mrs. Richard Snoke.

Mrs. J. Vaughan Shanbazian, first vice-president of the Mt. Diablo District, had as her guest Mrs. Charles Pratt, second vice president of Mt. Diablo District Juniors.

Mrs. Orin Bosler honored Mrs. Harry Hemstalk, recording secretary of the Mt. Diablo District Juniors.

The two co-ordinators of Juniors from the local club had as their guest, Mrs. Clifford Baughman, junior co-ordinator of the Mt. Diablo District.

The decor of the tables was in keeping with the theme with large black music notes in the center while on each side were pink candles and pink flowers to add the touch of spring.

Mrs. Charles Spear and her committee of Mesdames George Kewins, W. H. Winfree, Charles Berry, and Elmo Eoy were in charge of the decorating.

Kappa Delta Grads Plan Tuesday Meet

The Kappa Delta Alumnae Association of Central Contra Costa County will meet Tuesday at 8 p.m. at the home of Mrs. Reginald De Nio, 1319 El Curtola, Walnut Creek.

Mrs. George Empey will be co-hostess.

After a brief business meeting, members will address invitations for the Diablo Valley Panhellenic Senior Tea.

All Kappa Delta Alumnae in the area are welcome at the meeting and may obtain additional information about the group from Mrs. James Milliff.

Field Service Bakes Cookies For Tea Event

The Orinda American Field Service Committee met recently at the home of Mrs. Ralph Hall with Mrs. Sigurd Groennings, chairman, presiding.

An announcement was made of the fashion show and tea which is being put on by the Miramonte High School AFS Club on Monday afternoon March 2 at the high school for which the committee will make foreign cookies. Sandra Brown is president of the Club.

Mrs. Groennings reported on the recent luncheon which was given for Mr. Stephen Gallatti, executive director of the American Field Service Exchange Program. Mrs. Tom Mika and Mrs. Robert Galbraith also attended from Orinda.

Mention was made of the attractive window display in the Orinda American Trust Company window which features pictures of all past and present Miramonte exchange students.

They are Agnetta Persson and Eberhard Umbach who were exchange students last year, Brigitt Haegli and Tore Lindholm this year and Linda Lancione who went to France last fall for five months as Miramonte's first student abroad under AFS.

Europe Travels

The Diablo Valley Club of Alpha Gamma Delta will meet Thursday at the home of Mrs. J. J. Fuerst, 131 Donna Maria Way, Orinda.

Mrs. W. Clark Jennings will give a travelogue about her recent trip to Europe. She will also show a number of colored slides of the highlights of her trip.

Doctor's Wives Welcome New 'Sapphires' Members

Herrick Hospital Guild "Arch of Sapphires" members welcomed nine new members during a luncheon held recently at the home of Dr. and Mrs. Harold Mann, Berkeley.

Chairman of the gay affair was Mrs. Donald Minkler, Orinda, and a special greeting was given by the group's new 1959 officers: Mrs. Ray Poindexter, Orinda, president; Mrs. Karl Ehrlich, Orinda, vice president; Mrs. Herbert Enos, Lafayette, treasurer; and Mrs. Joel Fort, Berkeley, secretary.

Welcomed into the lively young group were Mesdames Louis Brizzolara, Orinda; John Dooley, Berkeley; James Elliot, Lafayette; Gillis Esslinger, Berkeley; Jerome Patmont, Berkeley; Louis Rocca, Orinda; Peter Strykers, Berkeley; David Zappella, Montclair; John Richardson, Orinda.

Arch of Sapphires members have a lot in common in addition to the work they do for the benefit of Herrick Memorial Hospital and its part-pay clinic. They are all wives of doctors of the Herrick Medical Staff. Most of them live in or near east-of-tunnel communities. All have an interest in children and their own growing families.

Their special project each year at the Guild's annual "Holiday Fair" is toys and play togs for youngsters. On these items Sapphire members work throughout the year, and show a nice profit for the hospital at the holiday bazaar.

Members in addition to the above include Mmes. Hyzer Jones, Donald Walker, Paul Winquist, Robert Johnson and Theodore Patching of Orinda; Mmes. Kendall Caldwell, Cyril Callister, J. Gordon Holmes, Donald Kennedy and Samuel Smith of Lafayette; Mmes. Joseph Lifschutz, currently the group's publicity chairman, of Walnut Creek; and Mmes. Joel Fort, Burton Heda, G. B. Lewis, Kenneth Dod and William Kaiser of Berkeley.

Marion Foulk Marries Don Soveriegn

Mr. and Mrs. Donald K. Sovereign will be at home at 37 Ackley Court, Walnut Creek, after their wedding trip to Santa Cruz.

They were married February 14 at the Church of Jesus Christ of Latter-Day Saints by Bishop von Nielsen, pastor of the church.

Mrs. Sovereign is the former Marion Johnson Foulk, who is a legal secretary, and is president of Mutual Improvement Association of Latter-Day Saints Church. She attended East Los Angeles Junior College.

The bride wore pink chantilly lace, princess style with three-quarter sleeves, and she carried white carnations and baby pink roses.

Her sister, Hildred Blair of Pleasant Hill was matron of honor, and best man was Donald's brother, Chester, a Sacramento resident.

Dan and Keith Sovereign, sons of the groom, and David and Bill Foulk, sons of the bride, ushered.

A reception was held afterwards in the lounge and recreation hall of the church.

Mr. Soverign formely lived in Concord. About 130 people attended the wedding ceremonies.

On February 3, a shower was held for the bride at the home of Norma Carlson. Ione Brown, Jean Williams and Norma Carlson assisted.

Falene Fink Enrolls As Mills Student

Falene Elizabeth Fink, daughter of Mr. and Mrs. Rudolf Edward Fink of 3291 Beechwood Drive, Lafayette, began studies at Mills College this month.

Miss Fink, who is in her freshman year at Mills, did most of her preparatory work at Castlemont High School, Oakland. She completed her high school studies in India, while her father was doing engineering work there.

Along with other incoming students, Miss Fink has been taking part in a traditional round of orientation activities on the Oakland women's campus.

Miss Fink is living in Warren Olney Hall at Mills.

Moscow Visit to be Described in Talk

Active members of Sigma Kappa will meet with Contra Costa and Eastbay Alumnae for a dessert-program party Monday evening, March 2 at 7:30 p.m. at the chapter house, Berkeley.

Serving dessert will be active members headed by Linda Johnson and Sandy Newell.

Sigma Kappas from Contra Costa include: Heidi Altofer, Pat Jackson, Judy Patterson, Mary Walden and Lynne Norris.

Mrs. Richard Hamilton of Danville, president of the Contra Costa group, Mrs. Lawrence Patterson, house mother, and Mrs. William Hudson will greet guests.

Honor guest and speaker will be Mrs. Emerson Kern, a Sigma Kappa from UCLA, former dean of women, and now executive director of the Berkeley campus YWCA.

School Parents' Bridge Club Meets

The Bridge Club of the Orinda Union School Parents' group met at the home of Mr. and Mrs. Owen Jones, 1 Loma Vista Road, Orinda, Friday eevning. Participants were Mr. and Mrs. Charles Craig, Mr. and Mrs. A. C. Flenner, Mr. and Mrs. DeLoss Winkler, and the hosts, Mr. and Mrs. Jones.

Orindan Entertains At Pledging Party

Mrs. A. C. Flenner of 52 Accacia Drive, Orinda, played violin solos in a musical Sunday at the home of Mrs. Kenneth King in Berkeley. The occasion was a pledging party by Mu Phi Epsilon, national music sorority for the Oakland College of Holy Names, music department.

World War Hero Harold Russell Guest at Party

Harold Russell, famous World War II hero and double arm amputee, was a guest of Mr. and Mrs. Arthur K. Flanagan, 42 Donald Drive, Orinda, Monday evening at a small party.

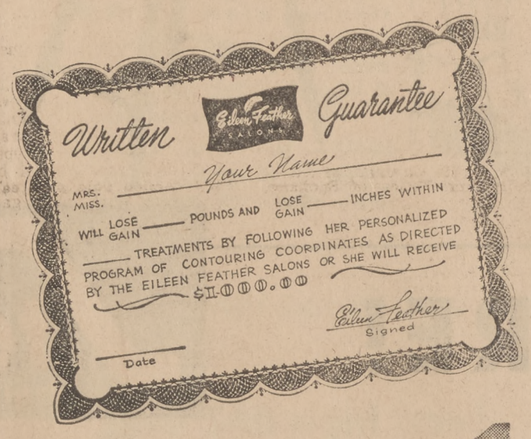

Harold, winner of an "Oscar" for his performance in Samuel Goldwyn's "The Best Years of Our Lives," is touring the country in behalf of the National Society for Crippled Children and Adults. This is the Easter Seal fund drive.

Joseph Staples, director of development for the society, was also at the gathering.

White Elephant Auction Will Aid Herrick Clinic

Tilden Park's Brazilian Room, transformed into a bower of bright spring blossoms, will be the setting for Herrick Hospital Guild's Arch of Emeralds gala annual dessert-card party, starting at 12:30 p.m., Tuesday, March 17.

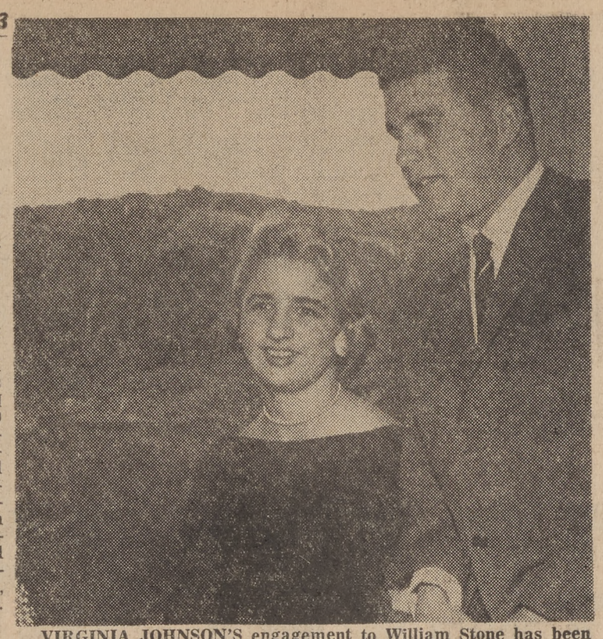

Each year this social event of the Emerald Arch succeeds in its purpose of raising money for the hospital's Part-Pay Clinic by filling the Brazilian Room with happy guests. A blithe note is added to the affair with the White Elephant auction.

Guiding plans for this year's party is the Ways and Means Committee: Mrs. Hugh Corum, Diablo, chairman, aided by Mrs. Donald Ley, Montclair; Mrs. Evelyn Pearlman, Oakland; Mrs. Robert Singer, Berkeley; Mrs. D. J. Spowart, Orinda; and Mrs. William Taylor, Alamo.

Decorations are being arranged by Mrs. Clarence Crooks, El Cerrito, and candy will be sold in a special bright and gay candy booth with Mrs. William Shepherd, Oakland, as chairman.

Tickets and reservations may be had by calling Mrs. Irving Liner, LA 4-4426.

Members of the ways and means committee will act as hostesses, and also greeting the guests will be the new 1959 officers of the Arch of Emeralds: Mrs. George Adams, Oakland, president; Mrs. Emil Hoefer, Berkeley, vice-president; Mrs. C. C. Harris, Berkeley, treasurer; Mrs. Franklin Lorenz, Orinda, recording secretary; Mrs. Clarence Crooks, El Cerrito, corresponding secretary; and Mrs. Donald Ley, Montclair, publicity chairman.

Mothers Will Be Nu Chapter Guests

The mothers of new pledges of the Phi Kappa Tau fraternity will be honored by the Mothers Club at luncheon at the chapter house, Berkeley, Thursday, March 5, at 12:15 p.m.

Those to be honored are Mrs. T. H. Ford and Mrs. E. L. Peterson, Oakland; Mrs. A. R. Holland of Lafayette, and Mrs. W. H. McPherrin of Marysville.

After luncheon a short business meeting will be conducted by Mrs. Paul J. Albright, of Lafayette, the president.

Home Ec Group Plans Luncheon

"Fashion and Flowers" is the theme selected by the California Home Economics Association for the bay district area luncheon and fashion show to be presented March 7 at the Montair School in Danville, according to Mrs. Virginia Deaton, chairman.

It will begin at 11 a.m. with Japanese flower arranging done by Mrs. C. Kajiwara, assisted by her daughter Mrs. Amy Maniwa from the Japanese trade center in San Francisco.

Kappa Tau Will Hold Cake Sale

The Kappa Tau chapter of Beta Sigma Phi will hold its annual cake sale Saturday, March 7 at the Gregory Lane Louis Store.

Sale hours are scheduled from 10 a.m. to 5 p.m., according to Mrs. Charles Looney of Pleasant Hill, chairman of the ways and means committee.

A wide variety of cakes, cookies and cupcakes plus beautiful home made aprons will be available.

Assisting with arrangements are Mrs. Robert Richardson of Walnut Creek, Mrs. John Brown of Pleasant Hill and Mrs. Frank Scully of Walnut Creek.

Adult Education Classes to Show

The sixth annual edult education "do-it-yourself" show will be held this year at Las Lomas High School on Friday and Saturday, March 20 and 21.

As in the past active demonstrations of many of the courses will be featured. These will include such courses as braided rug, cake decorating, pottery and ceramics, jewelry making, motion picture photography, painting and sketching, and others.

Many additional exhibits of work done by students in the local adult program will be on display.

One of the highlights of the presentation will be the annual fashion show which will feature garments and hats made by the students in the sewing, knitting, tailoring and millinery classes.

The gymnasium will house the main exhibits which will be open to the public on Friday from 7 until 10 p.m. and Saturday from 1 to 5 p.m. The fashion show will begin at 2 p.m. on Saturday. There is no admission charge and the public is invited to attend.

Dance Classes Will Start in Two Locations

Three adult classes will be offered in modern dance beginning in March, with Lynda Robinson instructing in Orinda at the Community Church Fellowship Hall and in Pleasant Hill at the Co-op, making this popular program available to the maximum area at two capability levels.

In Pleasant Hill, intermediate advanced sessions will be held for women with dance experience, starting on Tuesday, March 10, from 9:30 a.m. to 10:30 a.m. Beginners will attend dance class from 10:30 a.m. to 11:30 a.m., this session being devoted mainly to exercise and figure-control in dance form.

Both classes will run for five weeks, at a cost of four dollars for the whole course, or eighty cents a class.

Orinda classes will begin Friday, March 13, from 10:15 a.m. to 11:30 a.m. at the Community Church, this course to last ten weeks for seven dollars. Both experienced dancers and beginners are welcome.

Lynda Robinson has been conducting modern dance classes in Contra Costa County for several years, for children as well as adults. She is a graduate of the University of California in the Department of Psychology, and holds a Master of Arts degree in dance from Mills College in Oakland. She has appeared in concert at Mills, and has also studied dance in Europe.

5000 More Students Each Year in County

Even though Contra Costa County school population is dropping in rank as faster growing counties' surpass it, an additional 5000 students still come to classes each year.

The county has realized this gain each year since 1952, reports County Superintendent Floyd Marchus.

School population in kindergarten through junior college was 103,531 in October 1958, an increase of 5003 over October 1957 enrollment, or 5 per cent compared with a state-wide increase of 6 per cent.

Among the counties, Contra Costa dropped another notch to eighth largest in enrollment, down from fourth largest a few years ago.

Contra Costa's is the third largest enrollment in the Bay Area, after Alameda, with 170,844, and Santa Clara, 129,795.

Other counties in California exceeding Contra Costa in enrollment are Los Angeles, San Diego, Orange, San Francisco and Sacramento.

Figaro's Marriage Is Sunday at Las Lomas High

"The Marriage of Figaro" will be presented Sunday at 2:30 p.m. by the Company of the Golden Hind at Las Lomas High School Auditorium.

The Mozart comic opera will be presented in a witty English translation, as the second concert in the Central Contra Costa Youth Concert series.

"The Marriage of Figaro" is one of the masterpieces of comic opera. Its humorous overture is especially well loved.

The hilarious story is full of plots and disguises.

Figaro suspects his bride-to-be, Susanna, of being unfaithful. Count Almaviva suspects the same about his wife, Rosina.

The Countess is in reality faithful to her husband, while he wants to make love to Susanna. All is utter confusion until explanations are made in the fourth act and everyone is restored to his rightful lover.

In this comic opera, which is written as a satire, Mozart pokes fun at the aristocracy of his time. As a result, the opera was banned.

News of the ban on the work only incited its popularity. It was the most popular of his operas. Due to the plot, it was one of the forerunners of the French Revolution.

The Company of the Golden Hind has been operating for eight years at the Playbox in Berkeley. Its singers are both excellent singers and actors.

They are very versatile in their productions, but are most noted for doing Mozart and his operas.

Rachmel ben Avram is their director. He is capable of presenting an atmosphere closer to that of Mozart's own time than the grandoise productions in big theaters which we more often see today.

The costumes of the cast are very colorful and startling, which do much to emphasize the comic aspect.

Louis Hans Huber, a thorough Mozartian, will be at the piano for Sunday's performance.

High Sierra Photos are Subject of Joint Showing

The Sierra Club and the Valley Art Center jointly will sponsor a showing of the High Sierra photographs of Cedric Wright, internationally-known wilderness photographer, at the Orchard Nursery, Lafayette March 13-14.

The preview of the exhibit will be held March 13 from 7 to 10 p.m. The general public is invited March 14 from 9 a.m. to 5 p.m.

The presentation of nearly 100 photographs is expected to attract wide Bay Area attendance.

A LONG-TIME resident of Berkeley and Lafayette, Cedric Wright was born in Alameda and traveled the high country of the Sierra Nevadas for over 50 years.

Through skillful camera work, he has articulated nature's values and the beauty and majesty of the mountains. A skilled violinist and penetrating philosopher, as well as photographer, he has captured in his photographs the values held in common by mountains and great music.

Visitors to the showing will enjoy a symphony of checkered sunlights, lace patterns of pine needles on the snow, shimmers of wind over mountain lakes, sculptured mountains, the emotion of sunset and the fragrance of old wood—all the broad horizons of life that Wright has so keenly seen, felt and known.

For over 15 years one of the official photographers of the Sierra Club, as well as honorary member and contributor to the organization's bulletin, Cedric Wright has exhibited his work at the New York Museum of Modern Art, the Natural History Museum, Golden Gate Park, San Francisco, and at the 1958 Brussels Fair.

HE HAS held one-man shows at Stanford University Art Gallery and Princeton University.

His photographs were represented in an outstanding exhibit, The Family of Man, sponsored by the New York Museum of Modern Art, that toured the United States and Europe, later being recreated in book form.

During World War II, Mr. Wright was official photographer for the Radiation Laboratory, University of California at Berkeley.

A part of the Cedric Wright exhibit will be shown the following week, March 21-22, at the Sixth Biennial Wilderness Conference, Fairmont Hotel, San Francisco, according to A. Parker Stack. Valley Art Center vice president and Sierra Club member, who was instrumental in securing the exhibit for the Lafayette showing.

An illustrated catalogue of Cedric Wright's photographs will be available to visitors at the Orchard Nursery exhibit.

Audubon Group Will Meet on Thursday Eve

The monthly meeting of the Mt. Diablo Audubon Society will be held Thursday at 8 p.m. in Room 201, Las Lomas High School.

William Graves of the Richfield Oil Company will present a conservation film, "Let's Keep America Beautiful." Guests are welcome.

Farm Bureau Women to Visit Knightsen Hall

Contra Costa County committee and group leaders of Farm Bureau Women will be the guests of the Knightsen unit next Friday at 10 a.m. at the Knightsen Farm Bureau Hall.

Mrs. J. C. Murphy, chairman, announced that after the luncheon Ray Johnson of Oakley will speak on "The Palmer Colony of the Matanuska Valley" which is 60 miles north of Anchorage, Alaska, where Mr. Johnson spends several months each summer.

Mrs. Leslie Kerns of Danville, county chairman, will officiate at the business session.

She will also discuss Danville Farm Bureau Women's aid to 4-H young people who are working with the Guide Dogs for the Blind.

These boys and girls train puppies and give pre-school lessons to candidates for future Guide Dog education—an important contribution since there are so many more blind applicants than available dogs.

2nd Mothercraft Series Planned

The second seven week lecture series on preparation for childbirth will begin March 19 at Las Lomas High School in Walnut Creek it was announced today by A. D. Dambacher, director of the local program.

"Our first series which is just now finishing has been so successful and was so well received by the expectant parents, who made up the class members, that a repeat of the course would seem to be desirable," Dambacher stated.

This series of lectures, movies and exercises is specially designed to meet the needs of expectant mothers (and fathers). The lecture material is presented by obstetricians and pediatricians; the films are a specially prepared series of pregnancy and childbirth, and the exercises are under the direction of a registered nurse who is a specialist in physiotherapy.

For further information concerning this course you are requested to phone the Adult Center office YE 5-0170.

Stamp Club Approves Its By-Laws

The by-laws of the new Diablo Valley Stamp Club were voted on for final approval list night. Forty persons are charter members of the club.

Diablo Valley College Trustee Named Coaches

The Diablo Valley College Board of Trustees met Tuesday afternoon and one of the items of business was the appointment of two new football coaches.

The position of assistant football coach, physical education and hygiene instructor was announced as John Carhart who presently teaches at Acalanes High School.

Jack has been an instructor at Acalanes for three years and at present is Bee Basketball coach. While a member of the PE department, he has been head football mentor the past two seasons and also has served as junior varsity baseball coach.

Next week, he will take over as Bee track coach.

The head football job at the college went to Sam DeVito, presently coaching at San Rafael High.

Carhart is a grad of San Jose State while DeVito received his diploma from San Francisco State.

Scotsmen Stomped Again By Acalanes Don Machine

The Acalanes varsity basketball team used everybody but the manager as the boys chalked up an easy 67-26 over a hapless Piedmont five last Tuesday afternoon.

The game, played at the Acalanes gym, found Coach Dan Glines using sophomores and juniors for the most part after his first five had rolled to a first quarter 18-1 lead.

THE DON reserves made it 31-8 at the half with Piedmont hitting on a meager three field goals.

The Dons netted 16 points in the third period of play with the Highlanders collecting three points to go deeper in the hole.

Business perked up for the visitors in the final canto, when they collected 15 points but the Acalanes team spread the gap another five points as they hit for 20.

Tom Strain took individual scoring honors for Acalanes with 10 points while Piedmont's best was Grant Dunman with 7.

IN THE BEE game the Acalanes Babes went down in an overtime 45-43 with Piedmont Ed Volkswein doing the big damage with his 19 points for top scoring honors. Dave Stegman, led Acalanes with 13.

The Varsity win kept Acalanes close on the heels of league leading Miramonte.

Highlanders Felled By Matador Quint

The Miramonte Matadors played host to the Piedmont Highlanders last Friday night and had things well in hand all the way as they wrapped up a one-sided 54-27 win.

Coach Bob Callan's crew took a 14-4 first quarter lead and made it 22-12 at the half. The Orinda five was never in trouble as they made it 34-17 at the end of the third quarter.

The Matadors hit the scoring column with Bill Hornstein topping the list with 14 points. Steve Ricketts with 11 topped Piedmont scorers.

Knight Attack Sends Wolves 60-52

The Las Lomas Knights, hot on the trail of the league-leading Miramonte Matadors, made sure they lost no ground last Friday night when they racked up the San Ramon Wolves 60-25.

THIRTEEN proved to be anything but unlucky when that number of players hit the scoring column and Coach Merrill Callow cleared the Walnut Creek club's bench.

In addition, Dick Dodge set the pace for the Lomas scorers with 13 points. The Wolves' best man was Ed French with 6.

IT WAS simply Las Lomas all the way as they raced to a 17-6 first quarter advantage. The half saw 33-11 and stretched the margin to 47-18 at the end of the third quarter.

Board control gave the Knights a big advantage and they hit on 20 field goals to 7 for San Ramon. In the free throw department it was Lomas again 20-11.

Snow-Scoops

By GARY BARNETT

By GARY BARNETT

All of a sudden, you heard the frantic rumors. The word passed from lip to lip with unrestrained excitement. Then the evacuation took place; a mass migration to suicide on the open roads.

You looked around; afraid, desperate, and then when you finally built up enough courage, you tapped the person standing next to you and asked him. "What's going on, why all the excitement?" and he replied, "Can't you see? There is snow on Mount Diablo!"

APPROXIMATELY 14 bus loads of members from the Knights of Columbus, a Catholic organization for men, took a leisurely trip to Nevada a few days ago. The drive up lasted from 11:45 a.m. to 7 p.m., including many "rest" stops and lunch at the Milk Farm.

Father Matthew, chaplain, and Fidell Martinez, committee man, headed the group of 500. But Stanley Parsons, who formerly owned the Las Palmas Hotel in Walnut Creek, really got the ball rolling when he made arrangements with the Crystal Bay Club to sponsor the excursion.

Many stayed at the Nevada Lodge, while around the neighboring vicinity the vacant motels and hotels were swamped by the rest of the crowd.

A side trip to Squaw Valley was offered, but only a few went.

Doctor and Mrs. D. R. Purrington, Robert Culnin, and Donald Prieve departed together last week for seven days of paradise at Sun Valley, Idaho. On Mount Baldy the world was at their feet, christened by the new, fresh snow. Within a few days they had improved their techniques tremendously.

There was much more to do besides ski. The Purringtons caught trout out of the nearby springs for dinner and afterwards left the Challenger Inn, where they were staying, and went on the renowned Trail Creek Sleigh Ride, a skier's version of the hayride.

Up there they met Mr. and Mrs. Irving Julius, Charles Beckett, Charles Stimpson, and Mr. and Mrs. Cook, from Walnut Creek, Lafayette, and Danville.

It was snowing while they skied and the Army had moved in with howitzers to break up the snow as to prevent destructive avalanches. By the way, Ernest Hemingway and Norma Shearer were also seen at the lodge in Sun Valley.

During the Washington's Birthday weekend crowds of people rushed for the slopes. Sports store owners all over the area were mobbed. Think of the poor frustrated ski instructors and the over-worked Ski Patrol.

Former Pleasant Ram Star Ready for Major Circuit

By ERWIN MATTSON

Dick Eagan, a six-foot-four, 195 pounder, is one of those who will be leaving soon for baseball spring training.

Dick, a graduate of Pleasant Hill High School, flouts superstition as he flies for Lakeland, Fla., to join the Detroit Tigers in training. He leaves for camp Friday, March 13.

SIGNED UP last year, Dick played the season with Erie, Pa., a class D club in the New York-Pennsylvania league. He worked in approximately 30 games. He won 10 and lost 14. He is a southpaw pitcher.

The win-loss record tells only part of the story as Dick was with a seventh place club in an eight team league.

Dick hopes to make a jump in ball classification and where he lands will depend on how the spring work goes.

The 23-year-old player started baseball at Mt. Diablo High and came to Pleasant Hill as a junior.

WHILE WEARING the Pleasant Hill Ram colors he was a standout in football, basketball and baseball, winning blocks in all these sports. He rates high as one of Coach Lyle Palmer's best graduates.

Dick put in two years at East Contra Costa Junior College, now known as Diablo Valley College. While there he played two years of basketball and one of baseball.

After finishing school, Dick was signed by Detroit scout Bernie De Viveros and sent to Lakeland for training. His earned run average of 3.7 with a seventh place club indicates that in all probability he will move up the ladder with a personal preference for Idaho Falls.

At the present time, Dick lives with his wife, Lois, and their baby daughter at 1700 Monument Boulevard, Pleasant Hill. Lois and the baby will join Dick when he gets established.

Dick carries his 195 pounds well on his well knit frame and his activities in baseball and basketball have kept him fit and strong.

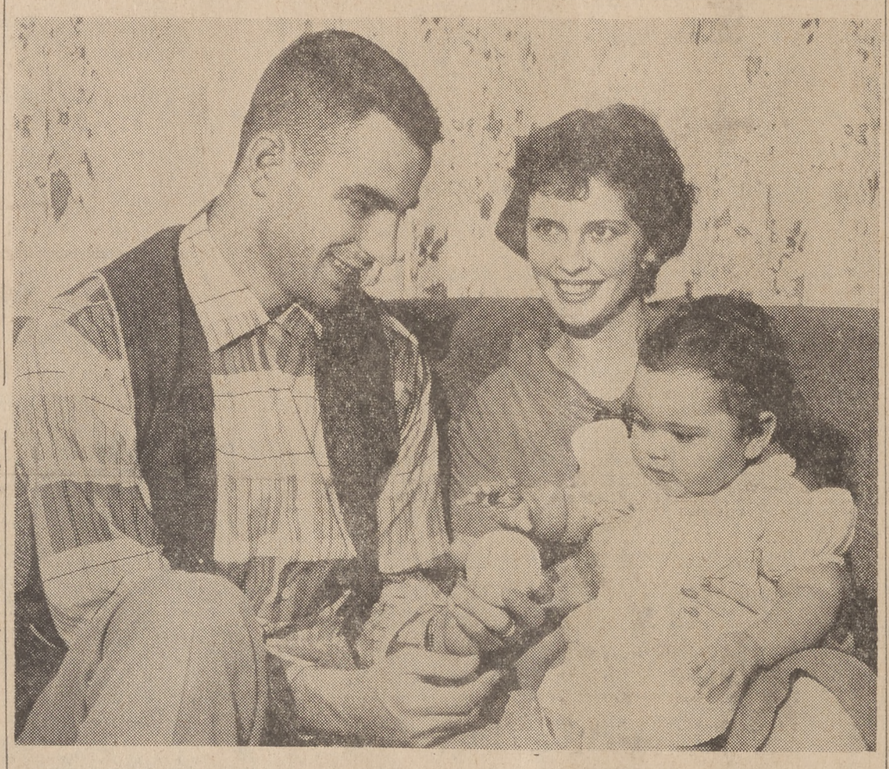

IN HIS SPARE TIME, Dick coaches a church basketball team that has been hitting the win column with regularity.

Like many others, his young charges think Dick is "tops."

Spring training will last approximately five weeks, with players being assigned to clubs in early April.

Coaches Continue Crying Ways as Baseball Nears

The Foothill League baseball picture finds varying reports ranging from poor to "downright optimism."

Piedmont High under Coach Bob Cope plans to play only league games with no practice games due to lack of a home field. Just what brand of ball they will produce remains to be seen.

DON FOSTER takes over as a first year coach at Miramonte. A wet diamond has hindered early workouts and on top of that there has been a small turnout—16 in number to date.

Coach Cope is just winding up basketball and will meet an undetermined number of baseball candidates Monday.

This is the Highlanders first year in varsity ball after several seasons of junior varsity play. On the basis of early reports they hardly figure as pennant contenders.

THE ONLY VETERAN on hand is pitcher Bruce Hilger, a senior. Reports have it that several seniors who lettered last year aren't out this season.

About ten more candidates are expected after basketball winds up tonight. Although the picture could be darkened if Miramonte gets a Tournament of Champions invitation.

The Junior Varsity opens competitive play with Alhambra High at Orinda, March 6. The varsity hosts De Anza High on March 10.

Over Danville way Coach Mike Gorman expresses high hopes for his diamond aces in view of the fact that he has nine returning lettermen.

AT PRESENT he is working with a turnout of 25 with another 15 expected next Monday with the close of basketball.

Lettermen returning are catcher Ken Miller, Dennis Prouty, being shifted from catcher to second; shortstop Eric Kellner, Loran Walker third base, Bob Lang, who goes from first to the outfield; first baseman Ken Gertsch; Mike Kyle, pitcher; and outfielders Charley Wright and Bob Daost.

A ball player up from the Junior Varsity who drew comment was K. C. Evans, currently an ace player on the Bee basketball team. To quote Coach O'Gorman "this club has the best prospects of any" in his five year tenure at San Ramon.

The club opens with their first game at Livermore on March 13.

DUANE LOUIS takes over as new head man at Las Lomas this year and comes up with a veteran squad that tied with Mt. Diablo High for the pennant in the Contra Costa League last year.

Veteran lettermen on hand are catcher Dick Dodge; pitchers Don Hopkins and Clark Ransome and Bob Hansen; first baseman Eric Nankevil; third baseman Clark Harin; second baseman Bob Morris, shortstop Larry Drummond, outfielder Bob Gomez and Jeff Beanbien.

Thirty-eight are out at the present time with around 45 expected next week.

THE KNIGHTS test their prowess on Tuesday, March 10 when they play Alhambra High at Martinez.

The Acalanes Dons have a turnout of 47 with another 10 expected next week.

The Don varsity has a good nucleus of lettermen on hand. Returning are catcher Lou Pejovich; pitchers Mike Kritscher and Denny Toll; first baseman Gary Brekke and George McMeans; third basemen Lou Cosso and Mike Ward; shortstop Gary Hansen and second baseman Don Nelson.

LETTER WINNERS returning in the outfield are Jim Holden, Bob Maveloo and Bill Foley.

RON PATTON, son of Orinda Pro Pat Patton, will take over the helm at Diablo Country Club as the club's pro replacing Norm Tauscher. Ron attended school at Danville, Acalanes and St. Mary's. He turned pro in 1952. —Sun photo by Rolf detrantino

Walnut Creek, PA., Has Big Flood Problem!

When you say that Walnut Creek has a terrific flood problem, you may be a Californian—or else maybe a Pennsylvanian.

L. C. Kummerow, a former Cherry Lane resident, recently sent to The Sun a letter and newspaper clipping describing the problem in Walnut Creek, PA.

The headline read, "Ice Jam Causes Flooding Near Mouth of Walnut Creek."

And the first paragraph of the big story said, "An eight-foot wall of ice moved across the fields near the mouth of Walnut Creek during yesterday's storm, causing extensive damage."

It continued, "The waters about a quarter of a mile above the mouth of the creek broke loose shortly before noon (Jan. 21, 1959), creating a flash flood of major proportions."

They estimated that the water itself was moving at 60 mph, and was in most places, four feet high.

Kummerow wrote The Sun, "As a former resident of Walnut Creek, Calif.

PT&T to Institute Party Line Change

The California Public Utilities Commission today authorized the Pacific Telephone and Telegraph Company to offer residence 2-party line message rate service instead of residence 4-party line flat rate service in four local exchanges.

The 2-party line message rate service is to be offered in Concord and Walnut Creek exchanges by next June, and in Danville and Moraga exchanges during next December, according to the Utility's estimates.

UNDER THE NEW service subscribers may have the extended area 2-party line service with 60 message units per month for $3, plus four and a quarter cents for each additional message unit over 60.

This compares with present 4-party line flat rate charges of $3.45 in Moraga and $3.20 in the other three exchanges.

One message unit is charged for each call in the local calling area and two or more message units for calls to points outside the local caling area, for the first three minutes.

IN ADDITION to the extended 2-party line message rate service, subscribers will also have the option of taking extended service in 2-party lines at a flat rate of $3.75 in Concord, Walnut Creek, and Danville, and $3.90 per month in Moraga; or individual line flat-rate service at $4.55 in the first three exchanges and $5.05 in Moraga.

Pacific Telephone and Telegraph Company estimates that the change in service will result in an annual decrease in its gross revenue of $49,200 from the four exchanges.

AWARDS TO BE presented to commerce and industry firms, division chairmen and office volunteers for participation during the 1958 campaign are discussed by United Crusade Leaders before their second annual award dinner at the Walnut Creek Elk's Club. Left to right are Jack Pedder, Central Contra Costa coordinator; Mrs. Harmon Howard, dinner committee chairman; Mrs. Arnold Schultz, hostess committee.

Poll to Tell How Schools Did Jobs

An ultimate 38,000 former Contra Costa County high school students would be polled in the next five years on how well their schooling has prepared them for careers or college, under a proposed survey to be undertaken jointly by six high school and three unified districts and the county superintendent of schools.

The follow-up study is intended to "upgrade and integrate their program in a more meaningful manner, especially for those students who are academically talented," according to an application for a share of the funds available under the National Defense Education Act of 1958.

Authorized by the Contra Costa County Board of Education, the application is directed to the State Department of Education, which is administering the federal act locally.

J. Graham Sullivan, formerly assistant superintendent of Contra Costa Junior College District, is in charge of the defense education program in California.

For the first year of the survey the application requests $3500 of an estimated total cost of $9400.

School districts and the county superintendent's office would contribute $5900. The full Five-year program is estimated to cost $26,500, of which $11,500 in federal funds will eventually be requested.

Beginning in the school year 1959-60, the graduating classes of 1959, 1957 and 1955 would be sent questionnaires.

Three types of questionnaires are planned—for drop-outs, graduates who do not continue with a formal school program and graduates who do continue a formal educational program. The full five-year survey would involve approximately 75,000 contacts.

The questionnaires would be processed by IBM and information returned to each school district on its own former students. The questionnaire design and analysis would be handled by the county superintendent's office, under the direction of Francis L. Andreen, Jr., Secondary Education Coordinator.

Head counselors or other designated persons will be in charge on behalf of the schools.

Secretaries Consider New Workshop Group

A dinner meeting of the Diablo Vista Chapter of the National Secretaries Association was held in Walnut Creek on February 17.

Among the members present were Kris Rodgers, second vice president; Lucile Hart, secretary; Muriel Cowell, first vice president; Connie Foley; and Joy Tara.

The guests included Lillian Arnold from Ygnacio Valley and Joanne Borghesani from Martinez.

A report was made by Joy Tara, chairman of the Education Committee, on her meeting with several teachers of business courses at the Junior College to discuss the possibility of having a workshop and study group for the members of the Diablo Vista Chapter.

She stated that the Junior College was interested in the Secretaries Association and would give its support and help in getting a study program started. This matter would be reported upon further at the March meeting.

Top School Jobs Seek Applicants At County Office

County Superintendent of Schools Floyd Marchus this week announced that a screening committee of three college professors will interview candidates for two positions to be filled in reorganizing the department.

Marchus said 28 applications, seven of them from Contra Costa County educators, have been received to date for the positions of director of educational services and director of administrative services.

The deadline for filing for the latter was January 31. Applicants for the post of director of educational services may file until next Friday.

Each position will pay approximately $12,000. The precise amount will be set after Assistant County Superintendent Harold DeFraga reports on final preliminary budget figures to the County Board of Education next week.

Members of the screening committee are Dr. Robert Howsam, assistant professor of education, University of California, Berkeley; Dr. Ralph W. Tyler, director of the Center for Advanced Study in Behavioral Sciences, Stanford University; and Dr. J. Marc Jantzen, dean of the school of education, College of the Pacific.

The committee will screen all applications and interview candidates. Marchus will participate in the screening, but the committee will make the final selection.

Should Health Dept. Supervise Co. Dog Pounds?

Representatives of organizations or individuals interested in animal control are invited to a meeting where there will be a discussion of the possibility of the County Health Department taking over the responsibility for the operation of the County Pound facilities. Dr. H. L. Blum, County Health Officer, announced today.

The meeting will be held on Monday at 8 p.m., in Room 304 of the Health Department, 1111 Ward Street, Martinez.

The Health Department will be asking for several ordinance changes if the contemplated move in operation of the Pound is made.

The many cities who are considering the use of County Pound facilities should be represented at the meeting.

The Health Department's interest in animal control is centered around the prevention of rabies.

Valley Art Center Tells of Course

Valley Art Center announced this week that Mildred Simon of Lafayette will begin her classes in mosaics Tuesday from 9 a.m. to 12 noon. The fee will be $18 for the six sessions, plus $4 laboratory charge.

For those who have had previous experience in mosaics, Mrs. Simon will start classes Wednesday, beginning at 9 a.m. These classes will run for a 3-months period, with a fee of $8 per month. Students will pay for supplies.

Tudor Report Explained to Contractors

County Director of Public Works Victor Sauer and Assistant Director Raymond Brown discussed the Tudor Engineering Company Report at a meeting of the General Contractors Association last week.

The Tudor Engineering Report, prepared at a cost of $160,000, was prepared disregarding political boundaries with the recognition of the ultimate potential development of the entire county as a basis.

Sauer stated that as traffic has no regard for political boundary lines, the report had to be prepared in cooperation with various cities an county agencies dealing with planning traffic and subdivision development.

"The adoption of the Tudor Plan will give the county the shape and location of tomorrows freeways, expressways and arterials,' Sauer state.

"Public understanding of the Tudor Plan is necessary if the public is to be able to realistically determine the utilization to be made of this outstanding study of the potential of the couny in 1963 as well as 1980," Sauer continued.

The Tudor Plan was a cities, county and state cooperative project with the state paying one-third of the $160,000 cost, the county paying one-third and the county paying the cities' one-third under the Aids-to-Cities program.

The meeting was presided over by George Concannon of Walnut Creek, president of the association.

Booklet on Cancer Goes To Physicians

A booklet, showing the high number of cancer cases in Contra Costa county today and outlining what can be done to halt the spread of the disease which will kill one of every six persons who will die in this nation in 1959, is being distributed to every physician in the county by the county branch of the American Cancer Society.

A description of cancer (group of diseases characterized by wild growth and spread of cells)

Mrs. Wise Places Sun Ad; 'Everything Goes' Quickly

Everything went, when Mrs. Earl Wise of Walden Road, Walnut Creek, placed an "Everything Goes" classified ad in The Sun.

She offered television, rugs, dishes, furniture, and the works.

"It was wonderful. We got 32 calls, and many people came to our house," she told The Sun.

MRS. WALTER Hambleton of San Luis Court, Walnut Creek sold her upright piano quickly, and she wrote The Sun:

"We've had wonderful success with Sun classifieds. My husband says he thinks the day The Sun Shopper comes out is the high spot of my week."

And it wasn't hard for Mrs. R. W. Block of Rheem Boulevard, Moraga, to sell an entire list of things, including bedroom suite, spring, mattress, chest, night stands, desk, chair, baby crib and so forth.

Mrs. C. W. Strother of Crest Avenue, Walnut Creek, sold her solid mahogany oval coffee table, step table and drum table in one ad.

THE SINGLE ad placed by these ladies and hundreds of others each week runs in The Sun Shopping News on Wednesday, in the Walnut Creek Sun, Lafayette Sun, Pleasant Hill Sun and Orinda Sun on Friday, and in the new Sun SUNday Shopping News.

The minimum rate for 14 words or less, is $1.60 for the Wednesday Shopping News and the four subscription papers on Friday, 80 cents for the re-run on Sunday, and 70 cents for each re-run after that.
